Lake Mary, FL 32746

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 74341-1".

Signature of Approving Official:

See page 2

Date:

January 16, 2003

page 2
EPA Reg. No. 74341-1

Submit two copies of the final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

Joseph M. Tavano
Acting, Product Manager 10
Insecticide Branch
Registration Division 7505c

Argentine Ants	Sweet Feeding Ants.	Pavement Ants
Carpenter Ants	Ghost Ants	Pharaoh Ants
Crazy Ants	White Footed Ants	Pyramid Ants

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Place the bait on dry surfaces at any angle, out of traffic ways, where ants are seen and in areas, out of reach of children and pets. Children or pets should not be in the treatment area until after application is completed. Do not contaminate feed or foodstuffs.

Remove the Applicator "cap" and by pushing the plunger, eject the bait to the spot, or surface where ants are seen, such as under food cabinets, sinks, refrigerators, food storage areas, window sills, attics, garages, basements, bathrooms, or storage areas. Replace the applicator "cap" after use.

IMPORTANT

Make sure to replace any bait that has been consumed for all ants, as listed, are attracted to and will consume, and carry the bait to the nest until they die, and the entire colony has been destroyed!

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store product in original container in a cool, dry, locked place out of reach of children and pets. Do not allow product to freeze. **DISPOSAL:** Do not reuse empty container. **IF EMPTY;** Place in trash. **IF PARTLY FILLED,** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down an indoor or outdoor drain.

NOTICE: Buyer and user assume all risk and liability of use, storage and/or handling of this material not in accordance with the terms of this label.10-16-02
