U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
74437-1

Date of Issuance:
JAN 30 2002

Term of Issuance: Unconditional

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Name of Pesticide Product:
Grapple Flea Powder

Name and Address of Registrant (include ZIP Code):

Grapple Pet Products
P.O. Box 100
Chandler, AZ 85244

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5). Once a pesticide is registered, however, it is not regarded as permanently acceptable. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time, additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under FIFRA section (3).

1. Submit two (2) copies of your final printed label before you release the product for shipment. Please refer to the A-79 enclosure for a further description of final printed labeling.

A stamped copy of the label is enclosed for your records.

If you have any questions regarding this action, please contact Susan Stanton of my team at (703) 305-5218.

Sincerely,

George T. LaRocca

**READ ENTIRE LABEL BEFORE EACH USE
DIRECTIONS FOR USE**

IT IS A violation of Federal law to use this product in a manner that is inconsistent with its labeling.

FOR USE on pets and in and around pet areas to control fleas and other insects that may be found on dogs and cats. Diatomaceous earth has an abrasive action on the insects skin and they dehydrate and die due to the loss of body fluids.

ON THE PET: use only on dogs and cats. Do not use on dogs and cats under 12 weeks old. Consult a veterinarian before using this product on debilitated, aged, pregnant, nursing or medicated animals. Sensitivities may occur after using ANY pesticide products for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

APPLY TO THE fur and rub it in against the fur so it gets down close to the skin, avoid eye contact. Make sure to get all areas. Reapply in 2 or 3 days, then weekly thereafter. Do not apply to a wet or damp pet. This product may have a drying effect on the pets skin, so the use of a shampoo that has a conditioner is recommended.

ON CARPET: Puncture the access hole in the top of the shaker can and sprinkle lightly over carpet. Work the powder into the nap of the carpet using a broom or rug rake. Wait at least 48 hours before you vacuum. Reapply in 30 days or when flea infestation becomes apparent.

OTHER AREAS: Wash the pets bedding if possible and after it is dry apply liberally. If the pet rides in your car or sits on your house hold furniture apply to those areas.

STORAGE AND DISPOSAL: Store in a cool dry place.

IF EMPTY: Do not reuse this container. Place in trash or offer for recycling if available.

IF PARTLY FILLED: Call your local solid waste agency or (800 424 9346) for disposal instructions. Never place unused product down any indoor or outdoor drain.

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Use adequate ventilation and avoid breathing dust. Wear a suitable dust mask when using this product during prolonged exposure.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 - 20 minute, remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.
