

## SHAKE WELL

Benefect is the first 100% Botanical disinfectant cleaner. The patented technology is proven to kill over 99.99% of bacteria (such as: *Salmonella choleraesuis*, *Staphylococcus aureus* & *Pseudomonas aeruginosa*) on hard, non-porous, inanimate surfaces & to control odors produced by these microorganisms. Made from botanically pure, biodegradable plant extracts with pleasant aromatherapeutic vapors. No synthetic fragrances, dyes, ammonia or chlorine.

SUITABLE FOR use in residential, commercial or medical applications, including health care & food preparation facilities, where a natural product is sensible: countertops, sinks, food preparation surfaces, toilets, pet habitats, garbage cans, children's toys, highchairs, changing tables, prostheses & orthotics, sports equipment such as jock cups & helmets, construction materials such as water damaged sheet metal, walls, floors, boat surfaces & cavities & any other surface where bacteria or unpleasant odors are a concern.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Pre-clean surfaces to remove heavy soil prior to disinfection.

TO CLEAN: 1. Shake, apply product & wipe away.

TO DISINFECT: 1. Shake well and wet the surface with the spray (test for surface compatibility on inconspicuous area first). 2. Leave for 10 minutes; allow to air-dry, no rinsing or wiping is required, except on direct oral, skin or food contact surfaces which require a potable water rinse after treatment (e.g. baby toys, prostheses liners & food contact surfaces).

Storage / Disposal: Store upright at room temperature. Recycle empty container.
