U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Chemical Safety and Pollution Prevention
Office of Pesticide Programs
Registration Division (7504P)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number: 74787-1

Date of Issuance: JUL 20 2011

NOTICE OF PESTICIDE:

XX Registration
XX Reregistration
(under FIFRA, as amended)

Terms of Issuance: Unconditional

Name of Pesticide Product: Proteku Grape Guard

Name and Address of Registrant (include ZIP Code):

Inumos Fruitcolas S.A. Infruta
c/o Robert Stewart, Agent
Technology Sciences Group Inc.
1150 18th Street, N.W.
Suite 1000
Washington, D.C. 20036

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

EPA received a label amendment request submitted by email on July 20, 2011. EPA grants this request under the authority of section 3(c)(5) of the Federal Insecticide, Fungicide and Rodenticide Act, as amended. With this accepted labeling, all requirements set forth in the Reregistration Eligibility Decision for Sodium Metabisulfate have been satisfied. Therefore, EPA reregisters the product listed above. This action is taken under the authority of section 4(g)(2)(c) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Submit one (1) copy of final printed labeling. Amended labeling will supersede all previously accepted labels. A copy of your label stamped "Accepted" is enclosed for your records. Products shipped after 12 months from the date of this Notice or the next printing of your label, whichever occurs first, must bear the new revised label.

LABEL ON BOX
PROTEKU GRAPE GUARD
 Retards Decay in Table Grapes
EPA Registration Number 74787-1
EPA Establishment Number 74787-CHL-001

ACCEPTED
 JUL 20 2011
 Under the Federal Insecticide,
 Fungicide, and Rodenticide Act,
 as amended, for the pesticide
 registered under
 EPA Reg. No. **74787-1**

ACTIVE INGREDIENT

Sodium Metabisulfite (Na₂S₂O₅) 98.5%

OTHER INGREDIENTS

1.5%

TOTAL 100.0%

KEEP OUT OF REACH OF CHILDREN
CAUTION

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance then give artificial respiration, preferably mouth-to-mouth, if possible. Call a Poison Control Center or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for further treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a Poison Control Center or doctor for further treatment advice.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Harmful if absorbed through skin. Harmful if inhaled. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Avoid breathing dust. Wear long sleeved shirt, long pants, shoes, socks and chemical-resistant gloves made of any waterproof material. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. This pad contains sodium metabisulfite which may trigger asthmatic response in sulfite sensitive individuals. Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-XXX-XXXX for emergency medical treatment information.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

AGRICULTURAL USE

To assure freshness by the fungicidal control of *Botritis cinerea* on table grapes.

1. Single Slow Release pad must be used in conjunction with initial sulfur dioxide fumigation. If sulfur dioxide fumigation is not possible or desirable, use Dual Release pad. If Dual Release pad is used, it is recommended to apply tissue or absorb sheet between grapes and pad.
2. Do not use defective pad or torn pad.
3. Use a polyethylene liner in an appropriate shipping container.
4. If desired, cover bottom of the polyethylene liner with cushion / humidity absorb material or other suitable packing material.
5. Place grape bunches inside the liner according to packing protocols.
6. Select the appropriate pad depending on the weight capacity and the size of the box. Do not place more than one 1 gram of Active Ingredient per each kilogram of table grapes.
7. Fold the polyethylene liner over the grapes and close the box.
8. Place the boxes of packed grapes in refrigerated storage at 0 – 2 Celsius Degrees (32 – 35 Fahrenheit Degrees).
9. Remove pad from box before display of grapes for sale or after removal of container from retail store refrigeration facilities.
10. If the pad is torn, remove pad and damaged grapes. Do not reuse the pad.

User Safety Recommendations

User should wash hands before eating, drinking, chewing gum, tobacco or using the toilet. User should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Users should remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage

Store in a tightly closed container in a cool, dry, well-ventilated area away from heat and flame. In case of decomposition, isolate container and flood area with water to dissolve all material before discarding container. Do not reuse empty container. Discard empty container in trash.

Pesticide Disposal

Place pad in a plastic bag, seal bag and place in an outdoor trash receptacle (dumpster).

Container Disposal

Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available or dispose of box (or bag) in a sanitary landfill or by procedures approved by state and local authorities.
