MAR 10 2003

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

Socusil Snail and
Slug Repellent

Name and Address of Registrant (include ZIP Code):

Conve LTD
c/o Stewart Agricultural Research Services, Inc.
1893 Highway K
Clarence, MO 63437

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product when the Agency requires all registrants of similar products to submit such data.
2. Make the following label changes before you release the product for shipment:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 74905-1".
 - b. Delete the references to "garden furniture" and "patio furniture" from the list of use sites where this product may be applied.
 - c. Delete the claim "Can be used around children and pets and wildlife". This is interpreted as an implied safety claim.
 - d. Add a reentry statement to read "Do not allow persons or pets to enter into treated areas until sprays have dried."

- e. Relocate the misuse statement reading "It is a violation of federal law to use this product in a manner inconsistent with its labeling" so that it appears directly beneath the "Directions for Use" heading.
- f. Revise the First Aid Statement so that it is in compliance with PR Notice 2001-1. Specifically, the existing eye and dermal statements should read as follows:

FIRST AID	
If in eyes:	<ul style="list-style-type: none"> ● Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. ● Call a poison control center or doctor for treatment advice.
If on skin or clothing:	<ul style="list-style-type: none"> ● Take off contaminated clothing. ● Rinse skin immediately with plenty of water for 15-20 minutes. ● Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment.	

The Agency also recommends the addition of an emergency phone number to the end of the First Aid box.

3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

CAUTION KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS

Hazards to Humans: Causes eye irritation. Avoid contact with skin, eyes or clothing.
Environmental Hazards: Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

FIRST AID

If on skin, wash with soap and warm water.
If in eyes, flush eyes with plenty of water. Call a physician if irritation persists.

DIRECTIONS FOR USE

Apply undiluted. Hold applicator approximately 12 inches away from soil or other surface and spray lightly and uniformly until surface appears wet. Do not drench the soil or other surfaces.

This product performs best if applied to dry surfaces, but can also be applied to damp soil. It is not necessary to dampen the soil before application.

This product may be applied:

- to bare soil or mulch;
- on and around ornamental plants, shrubs and ground covers;
- on pots; planters; ~~garden furniture~~; statuary; fences; foundations; retaining walls; patios; walkways; ~~patio furniture~~; decks
- on ornamental trees in a band approximately 12" wide around the whole trunk;
- on greenhouse floors, walls and benches;
- to damp, dark areas where snails and slugs shelter and breed.

Do not apply to ornamental moss. Some other plant species, such as orchids, are sensitive to copper and may be injured if it is applied to the foliage. To determine sensitivity, spray a few test leaves. Examine the test leaves for burn or spotting after 24 hours. Protect sensitive plants by applying this product only to the soil or mulch around the plants.

Avoid applying during rainfall. Allow the surface to dry before irrigation.

This product performs on porous and non-porous hard surfaces up to 12 weeks. Reapplication on soil may be necessary after 10-14 days. Reapply as needed.

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

ACCEPTED
with COMMENTS
In EPA Letter Dated:

MAR 10 2003

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under EPA Reg. No.
74905-1

Storage and Disposal:

Store this product in its original container and keep it in a secure area out of the reach of children. Do not allow to freeze.

If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency [or toll free number] for disposal instructions. Never place unused product down any indoor or outdoor drain.

Warranty: Seller warrants that this product conforms to the chemical description on this label and is reasonably fit for purposes stated on this label when used in accordance with the Directions for Use. This warranty does not extend to use of this product contrary to label directions, abnormal use conditions or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. Seller makes no other warranties, either expressed or implied.
