Environmental Hazards

This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of equipment washwater. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

Physical and Chemical Hazards

This product is not compatible with strong oxidants. Keep away from high heat or flame.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is intended for formulating end-use products for use on the crops and sites listed in Attachment I. Formulators are responsible for obtaining EPA registrations for their end use products.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store below 120° F. Do not apply high heat or flame to storage container. Keep separate from strong oxidizing agents.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent) all containers and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. All railroad and truck cars should be returned to the manufacturer who will dispose of the residues as per RCRA regulations.

Warranty Limitations and Disclaimer

1. ConocoPhillips Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated when used in accordance with the use directions under normal conditions. ConocoPhillips Company neither makes, nor authorizes any agent or representative to make, any other warranty of fitness or merchantability, guarantee or representation, express or implied, concerning this material.
2. Critical and unforeseeable factors beyond ConocoPhillips Company's control prevent it from eliminating all risks in connection with the use of this material. Such risks include, but are not limited to, damage to plants and crops to which the material is applied, lack of complete control, and damage caused by drift to other plants or crops. Such risks occur even though the product is reasonably fit for uses stated hereon and even though label directions are followed. Buyer and user acknowledge and assume all risks and liability resulting from the handling, storage, and use of this material (except those assumed by ConocoPhillips Company in (1) above). ConocoPhillips Company shall not be liable for incidental or consequential damages.
