OCT 19 2005

Term of Issuance:

Conditional

Name of Pesticide Product:

X Brand 5.25% Institutional
Bleach

NOTICE OF PESTICIDE:

Reregistration
 Registration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Deardorff Fitzsimmons Corporation
1300 Ort Lane, Bldg. #2, P.O. Box 539
Merlin, Oregon 97532

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 75266-1".
- b. Center the signal word, "DANGER" underneath "Keep Out Of Reach of Children".
- c. The percentage of "available chlorine" must be declared on the label below the Ingredient Statement.

- d. You must place a "EPA Establishment Number" on your label. Please contact the Information Services Branch (John Jamula) at 305-6426.
- e. Under the "Direction for Use" after "It is a violation...". place the following NOTE:

NOTE: This product degrades with age. Use a chlorine test kit and increase dosage, as necessary, to obtain the required level of available chlorine.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

NET CONTENTS:

FIRST AID: Call poison control center or doctor for treatment advice. Have product container or label with you when you call a poison control center or doctor or when going for treatment.
If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
If on skin or clothing: Take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes.
If swallowed: Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO DISINFECT HARD, NON-POROUS SURFACES:

First, clean surface by removing gross filth (loose dirt and debris, etc.). Using a coarse spray, thoroughly wet surface with dilution of 1 part of the product to 9 parts water (5,000 ppm available chlorine) and allow it to remain in contact with the surface for 10 minutes. Rinse with clean water and dry.

USE SITES and SURFACES: For use in hospitals, laboratories, commercial, institutional and veterinary premises. For use on hard, non-porous surfaces such as floors, walls, ceilings, doors, glazed tiles, countertops, cabinets and equipment surfaces.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

DANGER: Corrosive, may cause severe skin and eye irritation or chemical burns to broken skin. Can cause eye damage. Wear safety glasses and rubber gloves when handling this product. Wash after handling. Avoid breathing vapors. Vacate poorly ventilated areas as soon as possible until strong odors have dissipated.

Physical and Chemical Hazards

Strong oxidizer. Flush drains before and after use. Do not use or mix with other chemicals such as toilet bowl cleaners, rust removers, acid or ammonia containing products. To do so will release hazardous gasses. Prolonged contact with metal may cause pitting or discoloration.

STORAGE AND DISPOSAL

Storage

Store in a cool, dry area away from direct sunlight or heat to avoid deterioration. In case of a spill, flood area with large quantities of water. Product or rinsates that cannot be used should be diluted with water before disposal in a sanitary sewer. Do not reuse empty container but place in trash collection. Do not contaminate water, food, or feed by storage, disposal, or cleaning of equipment.
