RE: Product Name: Hormogel Plant Rooting Hormone
EPA Reg. No: 75337-1
Application for Label Notification Dated November 4, 2008 to Update Storage and
Disposal Language per PR Notice 2007-4

Dear Ms. Boone:

The Biopesticides and Pollution Prevention Division is in receipt of your application for Notification under Pesticide Registration (PR) Notice 98-10 dated above. A preliminary screen of this request has been conducted for its applicability under PR Notice 98-10 and it has been determined that the action(s) requested falls within the scope of PR Notice 98-10. Our records have been duly noted, and the Label submitted with this application has been stamped "Notification, received and reviewed" and will be placed accordingly in our records.

Questions concerning this action should be directed to Ms. Diana Hudson at (703) 308-8713 or email at HUDSON.DIANA@EPA.GOV.

Sincerely,

Linda Hollis

Linda Hollis, Chief
Biochemical Pesticides Branch
Biopesticides and Pollution Prevention
Division (7511P)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING. May be fatal if absorbed through skin. Do not get in eyes, on skin, or on clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Wear appropriate protective clothing as specified in PPE Requirements. Remove and wash contaminated clothing before reuse.

PERSONAL PROTECTIVE EQUIPMENT (PPE) REQUIREMENTS: Applicators and other handlers must wear the following minimum PPE while handling, transferring or applying this product. The minimum PPE includes: long sleeved shirt, long pants, shoes plus socks and chemical resistant or waterproof gloves. Follow the manufacturer's instruction for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

USER SAFETY RECOMMENDATIONS: Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

For terrestrial uses only. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during applications. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation.

AGRICULTURAL USE REQUIREMENTS

Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR Part 170. This Standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE), notification to workers and restricted-entry interval. The requirements in this box apply to uses of this product that are covered by the Worker Protection Standard.

Do not enter or allow worker entry into treated areas during the restricted-entry interval (REI) of **24 hours**.

PPE required for early entry to treated areas is permitted under the Worker Protection Standard and that involves contact with anything that has been treated, such as plants, soil or water is:

- Coveralls worn over short-sleeved shirt and short pants
- Socks
- Chemical resistant footwear
- Chemical resistant gloves

APPLICATION INSTRUCTIONS: For commercial grower use. For use on all nursery stock cuttings including woody ornamentals, deciduous hardwoods, evergreens, ground covers, and perennials.

Be sure the propagation media is moist before planting. *Do not dilute Hormogel*. Pour Hormogel into a small container. Quick dip the cutting, hold the cutting before sticking in the media and keep moist for 10-15 minutes to help Hormogel penetration. Keep the cuttings moist by misting. Start watering after 12 to 24 hours.

Tips to Enhance Rooting: Make a ½ to ¾ inch longitudinal wound on the site of the cuttings with a sharp knife to expose the cambium. Cover the cuttings after dipping with a moist cloth and hold for 15 to 20 minutes before sticking. After sticking, cover the flats with porous Geotextile fabric such as Remay for 2 to 3 weeks. Keep moist and water when needed. Do not drench the cuttings with fungicides until roots form. Some fungicides can inhibit root formation. For harder to root plants, leave the cuttings in the Hormogel for 5 to 15 minutes or longer before sticking. Always do a small test before large scale use. Bottom heat is helpful during cold weather. Water carefully to prevent root diseases. Do not pour *used* Hormogel back into original container.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE:

Store in original container in cool, dry locked place out of reach of children and pets.

PESTICIDE DISPOSAL:

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill container. Triple rinse container (or equivalent) promptly after emptying. Then offer for recycling, if available, or reconditioning, if appropriate, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

7/7

WARRANTY STATEMENT: To the extent allowable by state law, the Seller makes no warranty or guarantee of any kind, expressed or implied, concerning the use of this product other than specified on this label. Buyer accepts all responsibility for results due to misuse or improper handling of this product.
