EPA REGISTRATION GENCY

Number:  
75341-4

Date of Issuance:  
SEP 28 2012

Term of Issuance:  
**Conditional**

Name of Pesticide Product:  
  
Patox Lite

**NOTICE OF PESTICIDE:**

Registration  
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Osmose Utilities Services, Inc.  
980 Ellicott Street  
Buffalo, New York 14209

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/ reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to Sodium Fluoride RED, the EPA has reregistered this product. This action is taken under the authority of section 4(g) (2) of the Federal Insecticide, Fungicide and Rodenticide Acts, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. The EPA may require submission of data at any time to maintain the registration of the subject product.

Please submit two (2) copies of your final printed label before distributing or selling the product bearing the labeling revisions. A stamped copy of the label is enclosed for your records.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec.6 (e). Your release for shipment of the product constitutes acceptance of these conditions.

If you have questions concerning this matter, please contact me (703) 308-6416 or by e-mail at [campbell-mcfarlane.jacqueline@epa.gov](mailto:campbell-mcfarlane.jacqueline@epa.gov) or Seiichi Murasaki by telephone at (703) 347-0163 or by e-mail at [murasaki.seiichi@epa.gov](mailto:murasaki.seiichi@epa.gov). When submitting information or data in response to this letter, a copy of this letter should accompany the submission to facilitate processing.

**PRECAUTIONARY STATEMENTS  
HAZARD TO HUMANS  
AND DOMESTIC ANIMALS**

**DANGER:** Corrosive. Causes irreversible eye damage. Do not get in eyes or on clothing. May be fatal if swallowed. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Harmful if inhaled. Avoid breathing dust.

**PERSONAL PROTECTIVE EQUIPMENT (PPE)**

- Applicators and other handlers must wear:
  - Protective eye wear (goggles) and/or a face shield,
  - Elongated chemical-resistant sleeves,
  - Long-sleeved shirt and long pants, &
  - Socks,
  - Shoes, and
  - Chemical-resistant gloves (from water-proof material).

**\*USER SAFETY INSTRUCTIONS**

- Users must wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Users must remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Users must remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.\*

Applicators must not eat, drink, or use tobacco products during those parts of the application process that may expose them to the wood treatment formulation.

**ENVIRONMENTAL HAZARDS**

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

**STORAGE AND DISPOSAL**

- Do not contaminate water, food, or feed by storage or disposal.
- PESTICIDE STORAGE:** Store in a cool place. Avoid excessive heat.
- PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site, or at an approved waste disposal facility.
- CONTAINER DISPOSAL:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and Local authorities, by burning. If burned, stay out of smoke.

BATCH NO: \_\_\_\_\_

# Patox Lite

This product is for commercial purposes only. Not for household use.

Patox Lite is a supplemental treatment which aids in extending pole life. Designed specifically to protect the groundline portion of wooden poles, Patox Lite contains a recognized water soluble preservative used in the art of wood preservation for more than 40 years. This preservative penetrates deeply into the wood. PoleWrap™ offers protection against decay for a comparable period to your normal groundline treatment cycle, consistent with industry practices.

**ACTIVE INGREDIENTS:**

- Sodium Fluoride..... 70.6%
- Inert Ingredients..... 29.4%
- Total 100.0%

**KEEP OUT OF REACH OF CHILDREN  
DANGER**

**FIRST AID**

If in eyes	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
If swallowed	Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
If on skin or clothing	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
If inhaled	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth to mouth, if possible. Call a poison control center or doctor for further treatment advice.
<b>NOTE TO PHYSICIAN:</b>	Probable mucosal damage may contraindicate the use of gastric lavage.
<b>NOTE TO USER:</b>	In case of emergency, call CHEMTREC toll free at 800-424-9300. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PRECAUTIONARY STATEMENTS

EPA Est. No. 3008-NY-1 EPA Reg. No. 75341-4

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Dig around the groundline of the pole to be treated to a depth of approximately 20 inches. Remove hardened creosote and rotted wood. Inspect pole as to remaining serviceability. Clean the surface of the pole to be treated. Measure the circumference of the pole. Cut from the roll of Patox Lite the length needed. Apply to the pole to the depth of approximately 18 inches below groundline, and 2 inches above groundline. Attach to pole by means of stables or tacks. Be sure bandage is pulled tight to be in close contact with the wood pole. Back fill and tamp the earth around the pole to 2 inches above the original groundline.

Proper use includes the covering of any exposed product above the groundline in areas where children or livestock may come in contact with it. Various products which can be used for this purpose are Osmose's Pasture Wrap or some other type of barrier which prevents the product from being easily removed and consumed. If you have any questions regarding this product, please contact Osmose at (716) 882-5905 and ask for the Product Manager in the Utilities Division.

All users must be trained and pass a company-developed competency examination prior to handling sodium fluoride products.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not use or store near heat or open flame.

**NOTE:**

Seller makes no warranty, expressed or implied concerning this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

Minimum Weight.....25 lbs.
