Osmose Utilities Services, Inc.  
215 Greencastle Road  
Tyronne, GA 30290  
ATTN: Catherine Rice, Regulatory Agent

Subject: Label Amendment – Clarifying uses (bandages, pouches, or pastes designed specifically to protect below the ground and groundline portion of wooden poles)  
Product Name: Sodium Fluoride Powdered  
EPA Registration Number: 75341-19  
Application Date: December 15, 2014  
Decision Number: 498923

Dear Ms. Rice:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

EPA Reg. No. 75341-19  
Decision No. 498923

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact me by phone at (703) 308-8735, or via email at [chao.julie@epa.gov](mailto:chao.julie@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Julie Chao". The signature is fluid and cursive, with the first name "Julie" being more prominent than the last name "Chao".

Julie Chao, Acting Product Manager 34

# SODIUM FLUORIDE POWDERED

Active ingredient, Sodium Fluoride..... 97.5%  
 Inert Ingredients ..... 2.5%  
 Total 100.0%

**KEEP OUT OF REACH OF CHILDREN**

**DANGER!**

**PRECAUTIONARY STATEMENT  
 HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**DANGER:** MAY BE FATAL (POISONOUS) IF SWALLOWED OR INHALED. Corrosive to eyes. May be irritating to respiratory tract. Avoid breathing dust. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling. Clean up spillage immediately. Wear respirator and goggles when handling. Avoid contamination of feed and food stuffs.

**PERSONAL PROTECTIVE EQUIPMENT:**

Applicators and other handlers must wear:

- Coveralls, over long-sleeved shirt and long pants,
- Socks and chemical resistant footwear,
- Goggles or face shields,
- Chemical resistant gloves (such as barrier laminate, butyl rubber, nitrile rubber, neoprene rubber, polyvinyl chloride, viton).

For mixing/loading: wear a chemical resistant apron.

**ENVIRONMENTAL HAZARD:** Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**FIRST AID:**

If inhaled	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth to mouth, if possible. Call a poison control center or doctor for further treatment advice.
If on skin or clothing	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice
If in eyes	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
If swallowed	Call poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	

For Industrial Use Only

**FOR PESTICIDE FORMULATION USE:** Only for formulation into wood preservative bandages, pouches, or pastes designed specifically to protect below the ground and groundline portion of wooden poles.

**STORAGE AND DISPOSAL:**

Do not contaminate water, food, or feed by storage or disposal.

**Pesticide Storage:** Store in cool dry area.

**Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**Container Handling:** Nonrefillable container. Do not reuse or refill this container. Completely empty bag into application equipment. Then offer for recycling if available or dispose of in a sanitary landfill or by incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

**NOTE:** Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
