Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product (OPP Decision No. 436197) is registered in accordance with FIFRA sec 3(c)(7)(A) provided that you:

- Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when
  the Agency requires all registrants of similar products to submit such data; and submit acceptable
  responses required for re-registration of your product under FIFRA section 4.
- 2. Change EPA File Symbol 75373-ENNNT to EPA Registration Number 75373-20007.
- 3. Place a space between the 'Keep Out of Reach of Children' statement and the ingredient statement and center it on the page above the signal word so that it is more prominent.
- 4. Revise the 'If Swallowed' section by changing the statement "Have person drink large amounts of water." to read "Have person sip a glass of water if able to swallow." and change the word "five" to read "give".
- 5. EPA encourages registrants to include a company telephone number or toll-free hotline number for emergency information in the first aid section. If a number is included, confusion can be avoided by placing emergency numbers with the "First Aid" or "Hot Line Number" text. If a number is included, it should include a phrase or statement indicating the kinds of information the number should be used for and it may include hours of service.

Signature of Approving Official:

6. Revise the statement "Agent to help control microorganisms on mushrooms (pins)...refining sugar; or" to read "Agent to help control microorganisms on mushrooms (pins), potatoes, sweet potatoes (post harvest); or" as pimento and tomato seeds, pecans, fish fillets, and refining sugar are not use sites approved on the referenced me-too labels.

Submit one (1) copy of your final printed label prior to releasing this product for sale.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Wanda Y. Henson
