Date: JUN 23 2004

Term of Issuance:

Conditional

Name of Pesticide Product:

SK EnSpray N

NOTICE OF PESTICIDE:

Registration Reregistration
(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

SK Corporation
99 Seorin-dong, Jongro-gu
Seoul, 110-110
Republic of South Korea

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes before you release the product for shipment:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 75395-2".
3. Submit three copies of the final printed label for the record before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A copy of the label stamped "accepted with comments" is enclosed for your records.

Signature of Approving Official:

Do not inhale spray mist and avoid contact with skin and eyes. Wash thoroughly with soap and water after handling or accidental skin contact. Remove contaminated clothing and wash clothing before reuse.

USER SAFETY RECOMMENDATIONS

Do not eat, drink or smoke whilst mixing and applying or before washing hands and face and change of clothing.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water, or to areas where surface water present or to intertidal areas below the mean high water mark. Do not contaminate water by the cleaning of equipment or disposal of wastewaters. Do not apply in any manner not specified on this label.

PHYSICAL OR CHEMICAL HAZARDS

Do not use, pour, spill or store near heat or open flame.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and/or disposal.

PESTICIDE STORAGE: Keep this product in the original container tightly closed in cool and well-ventilated shed. Do not freeze. Keep away from heat sparks and open flame. Do not contaminate water, food or feed by storage or disposal.

Spill Control: Eliminate all ignition sources. Dike surrounding area and absorb with sand, earth or other suitable absorbent to spill area. Keep product out of sewers and water courses. Conform with applicable government regulations.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities. Consult Federal, State or local disposal authorities for approved alternative procedures.

LIMITED WARRANTY AND LIABILITY

Although this product has been extensively tested under a large variety of conditions the registration holder does not warrant that it will be efficacious under all conditions. The action and effect thereof may be affected by factors such as abnormal storage conditions, water quality, compatibility with other substances as well as method, time and accuracy of application. The registration holder furthermore does not accept responsibility for damage to crops, vegetation and the environment, or harm to man or animal or for the lack of performance of the remedy due to the failure of the user to follow instructions or to the occurrence of conditions which could not have been foreseen in terms of the registration. Buyer and all users shall assume all risk, liability and damage if this product is used, stored, handled or applied other than as specifically set forth on this label. Consult the supplier in the event of any uncertainty.
