DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Household Treatment:

Thoroughly spray infested areas, pet beds, resting quarters, nearby cracks and crevices, along and behind base boards, moldings, window and doorframes, and entire areas of floor and floor covering. Place fresh bedding should be placed in animal quarters following treatment. Repeat treatment as needed.

On Pets:

Start spraying at the tail, moving the dispenser rapidly and making sure that the animal's entire body is covered, including the legs and underbody. While spraying, fluff the hair so that the spray will penetrate to the skin. Make sure spray wets thoroughly. Do not spray into eyes or face. Avoid contact with genitalia. Reapply daily as needed

Do not use on pets under 12 weeks of age, or on medicated, debilitated, aged, pregnant or nursing animals.

Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

STORAGE AND DISPOSAL

Storage:

Store in original container in a cool dry place inaccessible to children and pets. Protect from freezing.

Disposal:

- If Empty – Do not reuse this container. Place in trash or offer for recycling, if available.
- If Partly Filled – Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with the directions given herein.
