CAUTION

Precautionary Statements
Hazards to Humans and Domestic Animals

CAUTION

Causes moderate eye irritation. Avoid contact with eyes or clothing. Wear goggles, face shield, or shielded safety glasses, long-sleeved shirt and long pants, socks, and shoes. Wash thoroughly with soap and water after handling and before eating, chewing gum, using tobacco, or using the toilet.

First Aid

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor or going in for treatment.

Environmental Hazards

Do not discharge effluent containing this product into lakes, streams, pond, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Only for formulation into wood preservatives for use on railroad ties, utility poles, and marine lumber.

This product may be used to formulate products for any additional use(s) not listed on the Verigard™ Technical label if the formulator, user group, or grower has complied with U.S. EPA submission requirements regarding the support of such use(s).

Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage

Keep container closed when not in use.

Pesticide Disposal

Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

Container Disposal

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state or local authorities.
