**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

Signature of Approving Official:

Shaja Joyner, Product Manager (20)  
Fungicide Branch/Registration Division/OPP/OCSP (7504P)

Date:

JUN 10 2011

JUN 10 2011

2. Make the following changes to the label:
  - a. Change the product registration number to "EPA Reg. No. 79405-2"
  - b. In the list of ingredients change "Inert Ingredients" to "Other Ingredients"
  - c. Below the list of ingredients add "1 gallon = 8.83 lbs."
  - d. At the top of page 2 change the header from **HAZARDOUS TO HUMANS....** to **"HAZARDS TO HUMANS...."**
  - e. In the **WARRANTY** section change "Center Point Farm Products in no way...." to "To the extent consistent with applicable law, Center Point Farm Products in no way...."
  - f. At the bottom of page 3 delete "Manufactured by: Center... 55352"
  
3. Submit one copy of the revised final printed label for the record before the product is released for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A copy of the label stamped "Accepted with Comments" is enclosed for your records.

EPA Reg. No. 79405-

EPA Est. No.

Manufactured for:  
Center Point Farm Products  
20921 Harlow Ave.  
Jordan MN 55352

Net Contents:

**ACCEPTED  
with COMMENTS  
In EPA Letter Dated  
JUN 10 2011**  
Under the Federal Insecticide,  
Fungicide, and Rodenticide Act,  
as amended, for the pesticide  
registered under EPA Reg. No.  
79405-2

**PRECAUTIONARY STATEMENTS  
HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS**

**DANGER**

Corrosive. Causes irreversible eye damage. Do not get in eyes. Wear protective eyewear (goggles, face shield, or safety glasses). Harmful if swallowed or absorbed through skin. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

**PERSONAL PROTECTIVE EQUIPMENT**

Wear chemical-resistant gloves, chemical resistant aprons, and chemical resistant footwear, and goggles or face shield when loading application equipment unless a closed loading system is used. Avoid walking near high concentrations of spray mist/vapor. Use with adequate ventilation. Wash thoroughly after handling.

**USER SAFETY RECOMMENDATIONS**

Users should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.  
Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.  
Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

**ENVIRONMENTAL HAZARDS**

For terrestrial uses. Do not apply directly to water or areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

**DIRECTIONS FOR USE**

**It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**

Hay Delight is a preservative for hay that is baled at 16% to 30% moisture. It can be used on alfalfa, Bermuda grass, bluegrass, brome grass, clover, cowpea hay, fescue, Lespedeza, lupines, orchard grass, peanut hay, rye grass, soybean hay, sudan grass, timothy, and vetch that is baled in small square, large round, or large square bales. When used in accordance with label directions, it will prevent the growth of mold in the hay and related heating, discoloration, and loss of feed value.

This product may only be used during the baling process if appropriate baler equipment is used which prevents exposure of non-target organisms to this pesticide product. Do not apply to pre-harvest hay and straw, cut hay and straw in the field prior to baling, or to hay and straw after it has been baled. Apply product to the hay and straw as it is fed into the baler, using the rates on this label. The baler application equipment must prevent drippage and drift, and must function properly and be used/maintained in accordance with the manufacture's written operation instructions.

**PRODUCT COLOR WILL NOT AFFECT PERFORMANCE**

**FOR USE ON HAY:** Spray Hay Delight on the hay as it is fed into the baler using the application rates indicated by the chart below:

Small Square & Large Round Balers			Large Square Balers	
Moisture	Stem Moisture	Dew Moisture Only	Stem Moisture	Dew Moisture Only
16% - 22%	4 lb/ton	2 lb/ton	6 lb/ton	3 lb/ton
22% - 26%	8 lb/ton	6 lb/ton	10 lb/ton	8 lb/ton
26% - 30%	16 lb/ton	12 lb/ton	DO NOT BALE	16 lb/ton
Above 30%	Not recommended			

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage disposal

**Pesticide Storage:** Seal tightly. Do not store in direct sunlight.

**Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of according to label instructions, contact your State Pesticide Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

**Container Disposal:**

Non-refillable container. Do not reuse or refill this container. Triple rinse or pressure rinse container promptly after emptying

Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container  $\frac{1}{4}$  full with water. Replace and tighten closure. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times.

Pressure rinse as follows: Empty the remaining contents into application equipment or a mix tank and continue to drain for 10 seconds after the flow begins to drip. Hold container upside down over application equipment or collect rinsate for later use or disposal. Insert pressure rinsing nozzle in the side of the container, and rinse at about 40 PSI for at least 30 seconds. Drain for 10 seconds after the flow begins to drip.

Offer rinsed container for recycling or reconditioning if available, or puncture and dispose of in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

### WARRANTY

Center Point Farm Products in no way is responsible for damage to people or property resulting from the use of this product that is inconsistent with this label.
