Re: **Wellman, Inc.; Notification of Additional Label Graphics under PR Notice 98-10; Wellcare ADM<sup>®</sup> [Finished Articles]** (EPA Reg. No. 79427-3)

Dear Ms. Edwards:

On behalf of our client, Wellman, Inc, we are notifying the Environmental Protection Agency (EPA) of additional label and packaging graphics under PR Notice 98-10. The enclosed graphics, which are from two different manufacturers, are representative examples of graphics that will be used on the various finished articles under this registration. We anticipate that there will be multiple manufacturers of the finished articles (pillows, comforters, mattress pads) and therefore many variations on this general theme.

We trust that this notification is complete and adheres to PR Notice 98-10. Unless we are notified otherwise by EPA, we will assume that minor variations on this theme are acceptable and this action is sufficient to notify EPA of the proposed variations. If you have any questions, please do not hesitate to contact me at 202-434-4230.

Sincerely,

Matthew Talley  
Pesticide Regulatory Specialist
