Subject: Label Amendment – Addition of Black Flies & Fleas, Changes to Optional Marketing Statements
Product Name: EVERGLADES 100 INSECT REPELLENT
EPA Registration Number: 79533-2
Application Date: July 17, 2014
Decision Number: 493738

Dear Mr. Reynolds:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of FIFRA. If you have any questions about this label review, please contact Mr. Carmen J. Rodia, Jr. at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov.

Sincerely,

A handwritten signature in black ink, which appears to read "Richard J. Gebken", is positioned above the typed name.

Richard Gebken

PRECAUTIONARY STATEMENTS**Hazards to Humans**

WARNING: Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes. Wash hands thoroughly before eating, drinking, chewing gum, using tobacco or using the toilet.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL.**

To repel insects, apply to exposed skin areas. **Use Restrictions and Precautions.** Do not apply near eyes and mouth, and apply sparingly around ears. If used on the face, spray on hands first and then apply sparingly and avoid eyes. Do not spray directly onto face. Do not apply over cuts, wounds or irritated skin. Do not allow children to handle this product, and do not apply to children's hands. When using on children, apply to your own hands, and then put it on the child. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. If biting insects do not respond to a thin film of repellent, apply a bit more. Do not use under clothing. After returning indoors, wash treated skin with soap and water or bathe. This is particularly important when repellents are used repeatedly in a day or on consecutive days. [Also,] Wash treated clothing before wearing it again. Do not spray in enclosed areas.

Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this repellent product with you.

[To avoid damage, do not apply to acetate, rayon, spandex, furniture finishes, leather, plastics, painted or varnished surfaces, watch crystals, guns, bows, automobiles. [Allow repellent to dry before handling bow or gunstock.]]

(Alternate packaging directions:)

**STORAGE AND DISPOSAL:**

PESTICIDE STORAGE: Keep this product in its tightly closed original container, when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals.

CONTAINER DISPOSAL: IF EMPTY: Do not reuse this container. Offer for recycling if available.

IF PARTLY FILLED: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
