

U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Antimicrobials Division (7510P)  
1200 Pennsylvania Ave., N.W.  
Washington, D.C. 20460

EPA Reg. Number:

80285-8

Date of Issuance:

9/12/22

NOTICE OF PESTICIDE:

Registration  
 Reregistration  
(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

Promex IPBC 30S

Name and Address of Registrant (include ZIP Code):

PROM CHEMIE AG  
AUSTRASSE 79  
FL-94090 VADUZ, LIECHTENSTEIN

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA).

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.
2. You are required to comply with the data requirements described in the DCI identified below:
  - a. 3-Iodo-2-Propynyl Butyl Carbamate GDCI-107801-1341

Signature of Approving Official:

Jacqueline Hardy, Branch Chief  
Regulatory Management Branch II  
Antimicrobials Division

Date:

9/12/22

You must comply with all of the data requirements within the established deadlines. If you have questions about the Generic DCI or EDSP Order listed above, you may contact the Reevaluation Team Leader (Team 36): <http://www2.epa.gov/pesticide-contacts/contacts-office-pesticide-programs-antimicrobial-division>

3. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. A one year study is required to satisfy these data requirements. You have 18 months from the date of registration to provide these data.
4. Make the following label changes before you release the product for shipment:
  - Revise the EPA Registration Number to read, “EPA Reg. No. 80285-8.”
5. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. See FIFRA section 2(p)(2). If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process, FIFRA section 12(a)(1)(B). Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Assurance.

If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 08/10/2022

If you have any questions, please contact Terria Northern via email at [northern.terria@epa.gov](mailto:northern.terria@epa.gov).

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Harmful if swallowed or inhaled. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Avoid breathing dust or spray mist. Wear Long-sleeved shirt and long pants, socks, shoes, and chemical-resistant gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

Applicators and other handlers must wear:

- Goggles, face shield or safety glasses.
- Long-sleeve shirt and long pants
- Chemical-resistant gloves such as Nitrile, Viton, Neoprene and/or Barrier laminate
- Shoes plus socks

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions exist for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

### User Safety Recommendations

User should wash hands before, eating, drinking, chewing gum, using tobacco, or using the toilet. User should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Users should remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.

### ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this pesticide only as specified on this label.

### DIRECTIONS FOR USE

**It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**

### GENERAL INFORMATION

**PRODUCT:** The following are suggested use levels for Promex™ IPBC 30S. Typical use levels given for the various applications indicate the appropriate levels for the particular application. All suggestions are given in percentage by weight and refer to the product Promex™ IPBC 30S.

**USE:** In order to determine the most cost-effective use level for Promex™ IPBC 30S in a given use, field trials are suggested.

### RESTRICTIONS

Do not apply this product in a way that will contact workers or other persons. Promex™ IPBC 30S is not to be used in formulations for materials that come in contact with food.

### APPLICATION INSTRUCTIONS

**PAINTS AND STAINS:** Use 0.53-1.62% or 4-13 pounds of Promex™ IPBC 30S per one hundred gallons. For hot, humid areas use up to 2.7%. For interior paints use 0.13-0.53%. For wood protective stains, use 1.1-1.6% of Promex™ IPBC 30S.

**PLASTICS:** Use in PVC plastics, such as shower curtains, tarpaulins, umbrellas at a level of 0.7-3.3%.

**METALWORKING FLUIDS:** To inhibit the growth of fungi in metalworking, cutting fluids, cooling, and lubricating fluids, add Promex™ IPBC 30S to metalworking concentrate that will result in a 0.03-0.1% concentration in the diluted fluid.

**WOOD:** For above ground use only at rates of 0.7-2.7%, depending on protection to prevent growth of mildew, sapstain and wood decay organisms. For sapstain and mold control, use 0.7% within 24 hours of cutting. For decay organisms in millwork, use 0.7%. Do not apply to wood surfaces that come in contact with food.

**TEXTILES:** Use 0.13-1.3% for coatings or dyes. Not for use in fabrics for human wear.

**PAPER COATINGS: For use in non-food contact coatings only.**

Use in aqueous and solvent-based coatings applied to paper at 0.07-1.0%.

**CANVAS AND CORDAGE:** Use 0.7-2.7%.

**ADHESIVES, CAULKS, GROUTS and SEALANTS:** Use 0.08-0.8%.

**INKS:** Use 0.07-4.0%.

**DISPERSED PIGMENTS:** For use in the manufacture and storage of dispersed pigments, extender slurries and colorants at 0.3-2.7%.

**SUPPLEMENTAL DOSING:** Depending on the nature/severity of the contamination, if analysis indicates a loss of active ingredient(s), and further microbial control is necessary, product may be dosed with additional Promex™ IPBC 30S at a level to ensure that the final use-dilution product will not exceed the maximum concentration indicated (max dosage level ppm Promex™ IPBC 30S).

## **STORAGE AND DISPOSAL**

**Do not contaminate water, food, or feed by storage, disposal or cleaning of equipment.**

**PESTICIDE STORAGE:** This product has the tendency to crystallize at low temperatures. Storage temperatures below 90°F (32°C) and above 32°F (0°C) are suggested.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

### **CONTAINER HANDLING:**

*[Use the following for product sold in nonrefillable containers, >5 gallons:]*

Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple Rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times. Then offer for recycling if available, or reconditioning if appropriate, or puncture and dispose of in a sanitary landfill or by incineration.

*[Use the following for product sold in refillable containers:]*

Refillable container. Refill this container with pesticide only. Do not reuse this container for any other purpose. Cleaning the container before final disposal is the responsibility of the person disposing of the container. Cleaning before refilling is the responsibility of the refiller. To clean the container before final disposal, empty the remaining contents from this container into application equipment or a mix tank. Fill the container about 10 percent full with water. Agitate vigorously or recirculate water with the pump for 2 minutes. Pour or pump rinsate into application equipment or rinsate collection system. Repeat this rinsing procedure two more times. Then offer container for recycling if available, or reconditioning if appropriate, or puncture and dispose of in sanitary landfill, or by incineration, or by other procedures approved by state and local authorities.

### **WARRANTIES AND WARRANTY DISCLAIMERS**

PromChemie AG ("PROM") warrants that this product conforms to the chemical description on the label and that it is reasonably fit for the purposes stated on the label when used in accordance with PROM's directions under normal conditions of use. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal use conditions, or under conditions not reasonably foreseeable to PROM, and the buyer assumes the risk of any such use. PROM DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY. IN NO EVENT SHALL PROM BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS, ON ANY THEORY WHATSOEVER, INCLUDING NEGLIGENCE, and PROM's sole liability and Buyer's and User's exclusive remedy shall be limited to the refund of the purchase price. Statements concerning the use of products or the formulations described therein are not to be construed as recommending the infringement of any patent and no liability for infringement arising out of any such use is assumed by PROM.
