

U.S. ENVIRONMENTAL PROTECTION AGENCY
 Office of Pesticide Programs
 Biopesticides and Pollution Prevention Division (7511P)
 1200 Pennsylvania Ave., N.W.
 Washington, D.C. 20460

EPA Reg. Number:

80286-23

Date of Issuance:

1/6/2016

NOTICE OF PESTICIDE:

Registration
 Reregistration
 (under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

Dcept CLM Plus

Name and Address of Registrant (include ZIP Code):

ISCA Technologies, Inc.
 1230 Spring Street
 Riverside, CA 92507

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product, always refer to the above EPA Registration Number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA or the Act).

Registration is in no way to be construed as an endorsement or recommendation of this product by the U.S. Environmental Protection Agency (EPA). In order to protect health and the environment, the Administrator, on his or her motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under the Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration or registration review of your product when the EPA requires all registrants of similar products to submit such data.
2. Submit storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) data as these data requirements are not satisfied. A one-year study is required to satisfy these data requirements. You have 18 months from the date of this registration to provide these data to the EPA.

Signature of Approving Official:

Andrew Bryceland, Team Leader
 Biochemical Pesticides Branch
 Biopesticides and Pollution Prevention Division (7511P)
 Office of Pesticide Programs

Date:

1/6/2016

3. Make the following labeling change before you release this product for shipment:
 - Revise the EPA Registration Number to read, "EPA Reg. No. 80286-23."
4. Submit one (1) copy of the final printed labeling for the record before you release this product for shipment.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6. A stamped copy of the labeling is enclosed for your records. Please also note that the record for this product currently contains the following acceptable Confidential Statement of Formula (CSF):

- Basic CSF dated 12/17/2015

Any CSFs other than those listed above are superseded.

If you have any questions, please contact Ms. Cheryl Greene of my team by phone at (703) 308-0352 or via email at greene.cheryl@epa.gov.

Sincerely,

Andrew Bryceland, Team Leader

Dcept CLM™ MASTER Label
EPA Reg. No. 80286-21

SUB-LABEL #1: For Commercial Use
SUB_LABEL #2: For Residential Use

D**CEPT**™
CLM Plus

For Mating Disruption of Citrus Leafminer (*Phyllocnistis citrella*)

ACTIVE INGREDIENT:

Citrus Leafminer Pheromone

(Z,Z,E)-7,11,13-Hexadecatrienal 1.20%

OTHER INGREDIENTS:

98.80%

TOTAL:

100.00%

Net Contents: 1500 dispensers.

EPA Reg. No. 80286-XX

Batch No.: _____

EPA Est. No. 80286-CA-004

6 mg active ingredient per dispenser

KEEP OUT OF REACH OF CHILDREN
CAUTION

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Remove and wash contaminated clothing before reuse. Causes moderate eye irritation. Avoid contact with eyes or clothing.

PERSONAL PROTECTIVE EQUIPMENT (PPE): Applicators and handlers must wear long-sleeved shirts and long pants, socks, shoes and waterproof gloves. Follow the manufacturer's instructions for cleaning and maintaining PPE. If no such instructions are available for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

USER SAFETY RECOMMENDATIONS: Users should remove clothing and PPE immediately if pesticide gets inside, then wash thoroughly and put on clean clothing. Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing and as soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS: For terrestrial uses: Do not apply directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call poison control center or doctor for treatment advice.

IF ON SKIN: Take off contaminated clothing. Wash skin immediately with soap and water, then rinse with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by poison control center or doctor. Do not give anything to an unconscious person.

HOTLINE NUMBER

Have the product container or label with you when calling a poison control center, doctor or going for treatment. For emergency information concerning this product, call the National Pesticide Information Center at 1-800-858-7378, 6:30 AM to 4:30 PM Pacific Time, seven days a week. During other times, call the poison control center 1-800-222-1222.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GENERAL INSTRUCTIONS

MODE OF ACTION	<i>Dcept CLM</i> uses the pheromone of the citrus leafminer (<i>Phyllocnistis citrella</i>) to disrupt adult moth mating, which reduces larval damage to crops.
TARGET PEST & SITES	<i>Dcept CLM</i> is for use on all agricultural crops and non-agricultural plants and trees where the citrus leafminer is detected.
AREA-WIDE CONTROL & IPM	The mating disruption strategy for pest control works best with large acreages where the ratio of exposed borders to overall area treated is relatively small and in area-wide control programs. Monitor for pests on a regular basis so that timely intervention with another application of <i>Dcept CLM</i> , insecticides or other control measures is possible. Fortifying control area borders with either 20% more <i>Dcept CLM</i> or the periodic reapplication of product along exposed borders, especially around suspected moth entry points will minimize the influx of mated females from surrounding areas.
MONITORING & TIMING OF APPLICATION	Monitor the target pest with pheromone-baited traps, such as the ISCALure® Citrella pheromone lure and ISCA delta trap monitoring system. Place monitoring traps in the treated area before applying <i>Dcept CLM</i> to determine the infestation level. Continue monitoring throughout the season to evaluate the efficacy and longevity of the application. Consult a qualified pest control advisor or ISCA Technologies to determine the proper timing for application. Supplementary control measures are advised if the pest population densities are above threshold levels. For best results, apply <i>Dcept CLM</i> as early in the season as possible.
FORMULATION & PREPARATION FOR USE	<i>Dcept CLM</i> is a hand-applied dispenser that is supplied ready for immediate use.
APPLICATION METHOD	<i>Dcept CLM</i> is applied manually. Always consult a qualified pest control advisor or ISCA Technologies to ensure optimum application of product is achieved.
PLACEMENT	<i>Dcept CLM</i> should be attached securely to lateral branches within the tree canopy. For best results, apply in the upper third of the canopy. Do not let <i>Dcept CLM</i> contact fruit.
APPLICATION RATE	The application rate for <i>Dcept CLM</i> is 50-500 dispensers per acre. Do not exceed 150 grams active ingredient (25,000 dispensers) per acre per year. Consult a qualified pest control advisor or ISCA Technologies for the precise rate of application, as it will vary depending on the pest population and field conditions.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.	
STORAGE	Store <i>Dcept CLM</i> in an air-tight container and keep refrigerated. If refrigeration is not available, store product in a cool dry place, out of direct sunlight. For longer shelf life, store <i>Dcept CLM</i> in a freezer. Do not store <i>Dcept CLM</i> in a refrigerator or freezer used for food.
PESTICIDE DISPOSAL	To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program (often such programs are run by state or local governments or by industry).
CONTAINER HANDLING	Nonrefillable container. Do not reuse or refill this container. Completely empty container, then offer for recycling if available, or puncture and dispose of in a sanitary landfill, or by incineration. Do not burn unless allowed by state and local ordinances.

WARRANTY, DISCLAIMER AND LIMITATION OF LIABILITY

IMPORTANT: READ BEFORE USE. Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or buyer accepts the following Conditions, Disclaimer of Warranties and Limitations of Liability. **CONDITIONS:** The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of ISCA Technologies. All such risks shall be assumed by the user or buyer. **DISCLAIMER OF WARRANTIES:** To the extent consistent with applicable law, ISCA Technologies makes no other warranties, express or implied, of merchantability or of fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. No agent of ISCA Technologies is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. To the extent consistent with applicable law, ISCA Technologies disclaims any liability whatsoever for special, incidental or consequential damages resulting from the use or handling of this product. **LIMITATIONS OF LIABILITY:** To the extent consistent with applicable law, the exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use or handling of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid or at ISCA Technologies' election, the replacement of product.
