Attention: Mr. Shih Y. Chang, Agent

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you

A) submit one (1) copy of final printed labeling to us, with the following changes, before you release the product for shipment:

1. revise the registration number to read, "EPA Reg. No. 80305-3".

Venus Eagle

Venus Eagle, Team Leader
Insecticide-Rodenticide Branch

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals
 (continued from the Front Panel)

FIRST AID	
Have label with you when obtaining treatment advice.	
If Swallowed	<ul style="list-style-type: none"> •Call a poison control center or doctor immediately for treatment advice. •Have person sip a glass of water if able to swallow. •Do not induce vomiting unless told to do so by the poison control center or doctor.
If On Skin Or Clothing	<ul style="list-style-type: none"> •Take off contaminated clothing. •Rinse skin immediately with plenty of water for 15-20 minutes. •Call a poison control center or doctor immediately for treatment advice.
If Inhaled	<ul style="list-style-type: none"> •Move person to fresh air. •If person is not breathing, call an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. •Call a poison control center or doctor immediately for treatment advice.
If In Eyes	<ul style="list-style-type: none"> •Hold eye open and rinse slowly and gently with water for 15-20 minutes. •Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. •Call a poison control center or doctor immediately for treatment advice.
NOTE TO PHYSICIAN If breathing is difficult, give oxygen.	

Physical or Chemical Hazards

Combustible. Do not use or store near heat or open flame.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store only in original container, in a dry place inaccessible to children and pets.

PESTICIDE DISPOSAL: Nonrefillable Container. Do not reuse or refill this container.
If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP [tel # optional] for disposal instructions. Never place unused product down any indoor or outdoor drain.

[**Note to Shih Change:** As stated in 40CFR156.140(a)(4), a batch code must be included on the label or package for container and containment for nonrefillables.]

[Back/Side Panel]**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions: For control of eggs, larvae, and adults of clothes moths in clean, airtight containers (e.g., chests and trunks), garment bags, and storage closets. Do not use this naphthalene-containing product with other moth-control chemicals to avoid undesired chemical reactions that may damage clothes. Do not use in dry-cleaning bags, garbage bags, closets, or containers that allow vapor to escape into occupied space. Suitable for use on clothes containing wool, wool-blends and others. Do not use to control squirrels bats and birds in the home.

**IMPORTANT: Keep out of reach of children.
Do not place in areas accessible to children.**

Pre-Application Directions: Before storing, dry-clean, wash, or brush articles to be protected.

Applications Directions: Apply the product in clean, airtight containers, bags, and closets at the following rates:

Area of Air-tight Enclosed Space	Pounds of Product
Average Garment Bag	0.25
Large Trunk	0.33
50 cu ft (small closet)	1.00

For larger closets the quantity required is estimated as follows:

of pounds required = Height x Width x depth / 50

For example a closet of 6 feet high, 4 feet wide, and 4 feet deep (i.e., 96 cubic feet) would need about two (2) pounds of product ($96/50 = 1.92$).

Post-Application Directions:

Keep product in air-tight space for a minimum of seven (7) days. Odor dissipates when treated articles are aired.

Retreatment: Since moths are active year round, replenish airtight containers, bags, and closets twice a year.
