
 <p>U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (H7505C) 1200 Pennsylvania Avenue, N.W. Washington, D.C. 20460</p> <p>NOTICE OF PESTICIDE: <u>X</u> Registration ____ Reregistration</p> <p>(Under FIFRA as amended)</p>	EPA Reg. Number: 80821-1	Date of Issuance: NOV 21 2006
	Term of Issuance: Conditional	
	Name of Pesticide Product:  Tabard Mosquito & Insect Repellent Stick	
Name and Address of Registrant (include ZIP Code): Acorn Products (PTY) Limited Units 13-14 Northland Corner Northlands Business Park, Newmarket Road, North Riding 2162 P.O. Box 82, Strubens Valley, 1735, South Africa		
Note: Changes in labeling, etc., must be submitted to the Agency for review and approval. Registration Division (H7505C)		
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.</p> <p>Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided:</p> <ol style="list-style-type: none"> <li>1. You will submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.</li> <li>2. You will make the following label changes before you release the product for shipment:           <ol style="list-style-type: none"> <li>a) Revise the EPA Registration Number to read "EPA Reg. No. 80821-1".</li> </ol> </li> <li>3. Submit the results of one year storage stability (830.6317) and corrosion characteristics (830.6320) to the Agency on completion. It is recommended that the observations be made at 0,3,6,9, &amp; 12 month intervals. The results must be submitted in a hard copy and an electronic format is also requested.</li> </ol>		
Signature of Approving Official:  Richard Gebken, Product Manager (10), RD/IB (7505P)		Date: NOV 21 2006

4. Please submit three (3) copies of your final printed labeling before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

Please note that a notice of availability of EPA's reregistration eligibility document (RED) for products containing DEET was published in the FR on December 16, 1998 (Vol. 63 No.241 pg. 69281). Additional data and/or labeling changes may be required for products containing DEET.

If you have any questions regarding this action, please contact Kevin Sweeney at (703) 305-5063.
