 <p>U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7505C) 1200 Pennsylvania Ave., N.W. Washington, D.C. 20460</p> <p>NOTICE OF PESTICIDE:</p> <p><input checked="" type="checkbox"/> Registration <input type="checkbox"/> Reregistration (under FIFRA, as amended)</p>	EPA Reg. Number: 80868-1	Date of Issuance: NOV 24 2004
	Terms of Issuance: Conditional	
	Name of Pesticide Product: Matesa Grape Guard	
Name and Address of Registrant (include ZIP Code): James Messina Exponent Agent for: Materiales de Embalaje S.A. (Matesa) 1730 Rhode Island Ave., NW Suite 1100 Washington, DC 20036		
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p> <p>On the basis of information furnished by the registrant, this product is conditionally registered under the Federal Insecticide, Fungicide and Rodenticide Act as amended. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is conditionally registered in accordance with FIFRA Section 3(c)(7)(A) provided that you comply with the conditions of registration specified on page 2. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions</p> <p>A copy of your label stamped "Accepted with comments" is included for your records. A copy of the Agency's Product Chemistry Review dated October 18, 2004 is enclosed for your records.</p>		
Signature of Approving Official: 	Date: NOV 24 2004	
Dennis McNeilly, Acting Product Manager (22) Registration Division, Fungicide Branch		

Conditions of Registration:**Matesa Grape Guard****EPA Reg. No. 80868-1**

1. Submit and/or cite all data required for registration of your product under FIFRA Section 3(c)(5) when the agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA Section 4.
2. Make the following label changes to both the box label and pad label before you release the product for shipment:
 - A. Revise the EPA Registration Number to read "EPA Reg. No. 80868-1"
 - B. In the list of ingredients, change " $\text{NA}_2\text{S}_2\text{O}_5$ " to " $\text{Na}_2\text{S}_2\text{O}_5$ "
 - C. In the sections "Directions for Use" add the sentence: "Use one pad in each box of grapes."
3. Submit one copy of the revised final printed label before releasing the product for shipment.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Agricultural Use: To assure freshness by fungicidal control of Botrytis cinerea on table grapes. Remove pad from case before display of grapes for sale or after removal of container from retail store refrigeration facilities. If this pad is torn, remove pad and damaged grapes and hold remainder of contents for 24 hours before displaying.

Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Keep this product dry in a tightly closed container when not in use. Store in a cool, well-ventilated area away from heat and flame. Do not reuse empty container. Expiration date is two years from date of manufacture if stored in the original sealed container in a dry place.

Pesticide Disposal: Used pads resulting from the use of this product may be disposed of onsite or at an approved waste disposal facility. Collect pads for disposal in polyethylene garbage bag. Tie bag and place in regular trash receptacle.

Container Disposal: Dispose of empty carton in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
