OFFICE OF  
PREVENTION, PESTICIDES AND  
TOXIC SUBSTANCES

**Subject:** Shake-Away; Shake-Away Deer Repellent Granules  
EPA Registration No. 80917-1  
Amendment to Add Logos, D# 406028  
Application Dated 8/20/09

Dear Ms. Roberts:

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(7)(A), is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit two (2) copies of your final printed labeling before you release the product for shipment. Final printed labeling means the label or labeling of the product when distributed or sold. Clearly legible reproductions or photo reductions will be accepted for unusual labels, such as those silk-screened directly onto glass or metal containers or large bags or drum labels.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(b). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If you have any questions contact Chris Pfeifer at 703-308-0031 or by email at: [pfeifer.chris@epa.gov](mailto:pfeifer.chris@epa.gov). A stamped copy of the label is enclosed for your records.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda A. Hollis".

<b>HOTLINE NUMBER</b>	
<p>Have the product container or label with you when calling a poison control center or doctor, or going for treatment. (In the U.S.) You may also contact 1-800-222-1222 for emergency medical treatment information.</p>	

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals.** **Caution:** Harmful if swallowed. Causes moderate eye irritation. Avoid contact of mouth, skin, or eyes. Wash hands before eating, drinking, chewing gum, using tobacco or using bathroom facilities.

**Environmental Hazards.** To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**General:**

Animals use urine to communicate in the wild. When they repeatedly smell a predator's odor, animals conclude it's a "dangerous" place and choose instead to move elsewhere. Shake-Away® Deer Repellent Granules creates the illusion that coyotes are present in your lawn or garden.

Use Shake-Away® Deer Repellent Granules to repel:

- Armadillo
- Beavers
- Deer
- Elk
- Domestic Cats
- Groundhogs
- Javelina
- Rabbits
- Woodchucks

**Directions for Use for 90-Day Packs -**

**Application Directions:**

- One application lasts 90 days.

- Shake-Away® Deer Repellent 90-Day Packs kit contains: Four Shake-Away® Deer Repellent 90-Day Packs, two twist ties for hanging.

**Hanging -**

Hang one pack every 10 to 20 feet around your garden or flowerbed perimeter, ensuring there is a pack on every outside corner. Suspend each pack approximately 2 to 4 feet above ground. For best results on isolated trees and bushes, consider hanging one or two packs on each bush or tree. **DO NOT OPEN PACKS OR DISPERSE CONTENTS.**

**Replacing -**

Replace each pack after 90 days. When replacing, hang the new pack in the same location. Allow up to two to three weeks for Shake-Away® Deer Repellent 90-Day Packs to take full effect. For best results squeeze the 90- Day Pack a few times when first applying, and four to six weeks thereafter to break up granules to release the scent.

**Directions for Use for loose granules -**

**Application Directions:**

**Use Restrictions** – This product is not for direct application to plants intended for human consumption (i.e. food plants). Apply only to the perimeter of where food plants are grown. To create a repellent barrier, apply this product to soil, ground cover, bark mulch, perimeter vegetation and non-food vegetation adjacent to food plants.

**General use in yards, around gardens -**

Apply Shake-Away® Deer Repellent twice a week for the first two weeks, then twice a month for maintenance. Sprinkle Shake-Away® Deer Repellent lightly in and around areas where animals are causing damage, or in areas you want to protect. Allow up to two to three weeks for Shake-Away® Deer Repellent to take full effect.

**Coverage –**

Each bottle of Shake-Away® Deer Repellent will cover up to (600 linear feet – for 20 oz bottle) (5760 linear feet – for 12 lb bottle) when applied as directed.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage and disposal.

**Storage:** Store in a cool, dry place.

**If empty:** Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

**If partially filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

(Warranty Statement)

(Batch Code / Lot Number: XXXXX)
