Subject: Shake-Away Critter Repellent Granules (EPA Reg. No 80917-4)
PRIA B680 Label Amendment
Application Dated: January 26, 2011
Decision Number: 444698

Dear Ms. Roberts:

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(5), is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit three (3) copies of your final printed labeling before you release the product for shipment. Final printed labeling means the label or labeling of the product when distributed or sold. Clearly legible reproductions or photo reductions will be accepted for unusual labels, such as those silk-screened directly onto glass or metal containers or large bags or drum labels.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(b). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If you have any questions contact John Fournier at 703-308-0169 or by email at: fournier.john@epa.gov. A stamped copy of the label is enclosed for your records.

Sincerely,

Linda A. Hollis, Chief

ACCEPTED

JUN 28 2011

Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended, for
the pesticide registered under
EPA Reg. No.

80917-4

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals. Caution: Avoid contact of mouth, skin, or eyes. Wash hands before eating, drinking, chewing gum, using tobacco or using bathroom facilities.

Environmental Hazards. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

General:

Animals use urine to communicate in the wild. When they repeatedly smell a predator's odor, animals conclude it's a "dangerous" place and choose instead to move elsewhere. Shake-Away® Critter Repellent Granules uses the same laws of nature to protect your yard and garden. Shake-Away® Critter Repellent Granules creates the illusion that foxes are present in your lawn or garden.

Use Shake-Away® Critter Repellent Granules to repel:

- Gophers
- Groundhogs
- Possums
- Porcupines
- Rabbits
- Woodchucks

Application Directions:

Use Restrictions – This product is not for direct application to plants intended for human consumption (i.e. food plants). Apply only to the perimeter of where food plants are grown. To create a repellent barrier, apply this product to soil, ground cover, bark mulch, perimeter vegetation and non-food vegetation adjacent to food plants.

General use in yards, around gardens -

Apply Shake-Away® Critter Repellent Granules twice a week for the first two weeks, then twice a month for maintenance. Sprinkle Shake-Away® Critter Repellent Granules A lightly in and around areas where animals are causing damage, or in areas you want to protect.

In attics, basements, garages and sheds –

Place two to four ounces of Shake-Away® Critter Repellent Granules (in an open container) (on a paper plate or other open container). Place one (container) (plate) per every 8' X 10' area (80 sq. ft.) where animals are getting in, but in an area inaccessible to children. Replace every four to six weeks, or as needed.

Allow up to two to three weeks for Shake-Away® Critter Repellent Granules to take full effect.

Coverage –

Use one ounce of Shake-Away® Critter Repellent Granules for every 30 linear feet. Each bottle of Shake-Away® Critter Repellent Granules will cover up to (600 linear feet – for 20 oz bottle) (5760 linear feet – for 12 lb bottle) when applied as directed.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Storage: Store in a cool, dry place.

If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

If partially filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

(Warranty Statement)
