Subject: Shake-Away All Purpose Repellent Granules
EPA Registration No. 80917-5
Label Amendment to add OMRI Listed Logo
Decision # 483191
Application Dated: September 16, 2013

Dear Mrs. Roberts:

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(5), is **acceptable** provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit three (3) copies of your final printed labeling before you release the product for shipment. Final printed labeling means the label or labeling of the product when distributed or sold. Clearly legible reproductions or photo reductions will be accepted for unusual labels, such as those silk-screened directly onto glass or metal containers or large bags or drum labels.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(b). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If you have any questions contact Ms. Menyon Adams at 703-347-8496 or by email at: adams.menyon@epa.gov. A stamped copy of the label is enclosed for your records.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda A. Hollis".

Linda A. Hollis, Chief

ACCEPTED

APR 08 2014

Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended, for
the pesticide registered under
EPA Reg. No.

80917-5

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals. **Caution:** Avoid contact of mouth, skin, or eyes. Wash hands before eating, drinking, chewing gum, using tobacco or using bathroom facilities.

Environmental Hazards. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

General:

Animals use urine to communicate in the wild. When they repeatedly smell a predator's odor, animals conclude it's a "dangerous" place and choose instead to move elsewhere. Shake-Away® All Purpose Repellent Granules uses the same laws of nature to protect your yard and garden. Shake-Away® All Purpose Repellent Granules creates the illusion that coyotes and foxes are present in your lawn or garden.

Use Shake-Away® All Purpose Repellent Granules to repel:

- | | |
|---------------|------------|
| Armadillo | Moles |
| Beaver | Possums |
| Deer | Porcupines |
| Domestic Cats | Rabbits |
| Elk | Shrews |
| Gophers | Voles |
| Groundhogs | Woodchucks |
| Javelinas | |

Application Directions:

20 oz, 28.5 oz, 4 lb & 12 lb Shake Bottle:

Use Restrictions – This product is not for direct application to plants intended for human consumption (i.e. food plants). Apply only to the perimeter of where food plants are grown. To create a repellent barrier, apply this product to soil, ground cover, bark mulch, perimeter vegetation and non-food vegetation adjacent to food plants.

General Use -

Apply Shake-Away® All Purpose Repellent Granules twice a week for the first two weeks, then twice a month for maintenance. Sprinkle Shake-Away® All Purpose Repellent Granules lightly in and around areas where animals are causing damage, or in areas you want to protect.

For Burrowing Moles, Shrews and Voles –

Sprinkle Shake-Away® All Purpose Repellent Granules directly into every hole you find in your yard, flower beds, along foundations, etc. For tunneling moles and voles poke a two-inch deep hole every three to four feet along all tunnels. Sprinkle Shake-Away® All Purpose Repellent

Granules into each hole and then cover with dirt.

Allow up to two to three weeks for Shake-Away® All Purpose Repellent Granules to take full effect.

Coverage -

Use one ounce of Shake-Away® All Purpose Repellent Granules for every 30 linear feet. Each bottle of Shake-Away® All Purpose Repellent Granules will cover up to (600 linear feet - for 20 oz bottle) (855 linear feet - for a 28.5 ounce bottle) (1,920 linear feet - for 4 lb bottle) (5760 linear feet - for 12 lb bottle) when applied as directed.

Application Directions for Alternate Brand Name "Shake-Away® All Purpose Repellent 90-Day Packs":

- One application lasts 90 days.
- Shake-Away® All Purpose Repellent 90-Day Packs kit contains: Four Shake-Away® All Purpose Repellent 90-Day Packs, two twist ties for hanging.

Hanging -

Hang one pack every 10 to 20 feet around your garden or flowerbed perimeter, ensuring there is a pack on every outside corner. Suspend each pack approximately 2 to 4 feet above ground. For best results on isolated trees and bushes, consider hanging one or two packs on each bush or tree. DO NOT OPEN PACKS OR DISPERSE CONTENTS.

Replacing -

Replace each pack after 90 days. When replacing, hang the new pack in the same location. Allow up to two to three weeks for Shake-Away® All Purpose Repellent 90-Day Packs to take full effect. For best results squeeze the 90- Day Pack a few times when first applying, and four to six weeks thereafter to break up granules to release the scent.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Storage: Store in a cool, dry place.

If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

If partially filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

(Warranty Statement)
