Subject: Micropel 5 PVC
EPA Registration No. 81348-3
Application Dates: August 26, 2004
EPA Received Dates: August 27, 2004

Dear Ms. Buck:

The following amendment, submitted under connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with the conditions listed below:

Proposed Amendment

- Revised labeling

Conditions

1. Revise the "If In Eyes" section to include the statement "Call a poison control center or doctor for treatment advice."

General Comments

A stamped copy of the labeling accepted with conditions is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.
