JAN 25 2007

Term of Issuance:  
Conditional

Name of Pesticide Product:  
Traveler's Supply Inc. Permethrin  
Clothing & Gear Insect Repellent  
Concentrate

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(Under FIFRA as amended)

Name and Address of Registrant (include ZIP Code):

Traveler's Supply Inc.  
2024R Westover Road  
Chicopee, MA 01022

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is **conditionally** registered in accordance with FIFRA sec. 3(c)(7)(A) subject to the following provisions:

1. You will submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. You will make the following label changes before you release the product for shipment:
  - a) Revise the EPA Registration Number to read "EPA Reg. No. 81402-2."
  - b) Delete the use sites "tents, sleeping bags, and backpacks" throughout the label since the product cited is limited to clothing and bed nets and you indicated in your application that the use directions were for clothing treatments only.
  - c) Move the last 3 sentences under Precautionary Statements ("Do not use food utensils... windy days") to the directions for use section of the label.
  - d) Under General Clothing Instructions:
    - Revise "This product should not be applied to clothing while it is being worn" to read "This product must not be applied..."
    - Revise the statement "Do not treat inner clothing (underwear)" to read "Do not treat underwear, hats, caps, or inner clothing..."

- Revise the statement “*For further protection use in conjunction...*” to read “*For further protection use in conjunction with an insect repellent registered for direct application to skin and applied to uncovered exposed areas and utilize the following...*”
  - e) Delete the instructions for initial treatment of nets, tents, sleeping bags, and backpacks. See comment above.
  - f) Under retreatment instructions add, “*Do not dry clean*”.
  - g) Change “*gear*” to “*bed net*” throughout labeling and in the product name.
3. Please submit three (3) copies of your final printed labeling before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

Please note that a notice of availability of EPA’s reregistration eligibility document (RED) for products containing permethrin was published in the FR on June 28, 2006 (Vol. 71 No. 124 pg. 36788). Additional data and/or labeling changes may be required for products containing permethrin.

If you have any questions regarding this action, please contact Olga Odiott 703-308-9369.

Signature of Approving Official:  George T. LaRocca, Product Manager (T3) Insecticide Branch/Registration Division (7505P)	Date: JAN 25 2007

HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-xxx-xxx-xxxx for emergency treatment information.	
<b>Note To Physician:</b> Contains petroleum distillates – vomiting may cause aspiration pneumonia.	

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
WARNING**

Causes skin irritation and moderate eye injury. Do not get on skin or on clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Avoid contact with eyes. Harmful if inhaled. Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. When mixing or applying, wear long sleeved shirt, long pants, socks, shoes and chemical resistant gloves. Do not use food utensils or cups for measuring. Spray with the wind to your back. Do not spray on windy days.

**ENVIRONMENTAL HAZARDS**

This product is highly toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment washwater or rinsate. Apply this product only as specified on this label.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not use or store near heat or open flame.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**GENERAL CLOTHING INSTRUCTIONS**

Shake well before using.

**THIS PRODUCT MUST BE DILUTED WITH WATER PRIOR TO APPLICATION.**

This product should not be applied to clothing while it is being worn. Under no circumstances should bare skin or clothing on the body be treated. Do not treat inner clothing (underwear). Make all applications outdoors.

For protection against ticks (including those which may carry Lyme disease), chiggers and mosquitoes, apply product as directed below. For further protection, use in conjunction with an insect repellent registered for direct application to the skin and utilize the following primary preventive measures. Avoid walking in areas where the pests are found, wear appropriate protective clothing (light-colored, long sleeved shirt and long pants tucked into socks) and inspect body daily for ticks. Pant cuffs should be worn inside the socks or footwear to ensure full protection against ticks and chiggers.

**INITIAL TREATMENT INSTRUCTIONS:**

Pour ½ ounce of concentrate into the treatment bag provided. Pour 18 ounces of water into bag. Seal bag and shake thoroughly. Place rolled up garments (shirt, trousers and/or bed net) into the bag and seal the closure. Shake bag to provide uniform coverage. Let stand 2 hours or more. Wearing water-proof gloves, open bag and remove garments. Hang outdoors until dry (approximately 2-3 hours). When dry, garment is ready to wear. Follow standard laundering procedures. Clothing should be retreated after six weeks or after the 6<sup>th</sup> laundering to maintain adequate protection.

**INITIAL TREATMENT INSTRUCTIONS ON NETS, TENTS, SLEEPING BAGS AND BACKPACKS:** Do not treat inside of sleeping bag. Spray exterior surfaces of tent only.

Using trigger spray bottle or hand-pump sprayer, pour 6.5 ounces of concentrate in 1 gallon (1.5 ounces in 1 quart) of water. Shake thoroughly.

Select a well-ventilated outdoor area protected from wind and lay out [or hang] article to be treated. Hold container upright about 6-8 inches from surface of the article and spray to lightly moisten the surface of the fabric. Continue spraying over entire article, until the outer surface of the article is moist enough to cause a light color change or darkening. Turn the article over and treat the other side as described above. Hang the treated article and allow to dry for at least 2 hours (4 hours under humid conditions) before using.

**RETREATMENT INSTRUCTIONS:**

This product contains an active ingredient which actually binds to the fabric being treated, providing residual protection which lasts for six weeks, and holds up through several machine washings. DO NOT RETREAT CLOTHING (OR ARTICLES) MORE THAN ONCE EVERY TWO WEEKS. LAUNDRER CLOTHING AT LEAST ONCE BEFORE RETREATING. For re-treatment, follow instructions for initial treatment.

**STORAGE & DISPOSAL**

**Storage:** Store in a cool dry area away from children and pets.

**Disposal:** If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

Buyer assumes all responsibilities for safety and use, not in strict accordance with directions.
