Ms. Sharon Johnston  
RegGuide  
509 Tower Valley Drive  
Hillsboro, MO 63050

Authorized agent for Traveler's Supply, Inc

Subject: Amended Reregistration Label  
Product Name: Traveler's Supply Inc. Permethrin Clothing & Gear Insect  
Repellent Concentrate  
EPA Registration Number: 81402-2  
EPA Decision Number(s): 413193

Dear Ms. Johnston:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the permethrin RED, and has concluded that your submission is acceptable.

NOTE: This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated February 4, 2010

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not

complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Rita Kumar at (703) 308-8291 or via e-mail at [kumar.rita@epa.gov](mailto:kumar.rita@epa.gov).

Sincerely,

Richard J. Gebken  
Product Manager (10)  
Insecticide Branch  
Registration Division (7504P)

<b>Note To Physician:</b> Contains petroleum distillates – vomiting may cause aspiration pneumonia.	

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
WARNING**

Causes skin irritation and moderate eye injury. Do not get on skin or on clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Avoid contact with eyes. Harmful if inhaled. Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. When mixing or applying, wear long sleeved shirt, long pants, socks, shoes and chemical resistant gloves.

**ENVIRONMENTAL HAZARDS**

This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Apply this product only as specified on this label.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not use or store near heat or open flame.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**USE RESTRICTIONS:**

- Not for use in outdoor residential misting systems.
- Do not apply this product in a way that will contact children or pests either directly or through drift.
- Application is prohibited directly into sewers or drains or to any area like a gutter where drainage to sewers, storm drains, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

**GENERAL CLOTHING INSTRUCTIONS**

Shake well before using.

Do not use food utensils or cups for measuring. Spray with the wind to your back. Do not spray on windy days.

**THIS PRODUCT MUST BE DILUTED WITH WATER PRIOR TO APPLICATION.**

This product must not be applied to clothing while it is being worn. Under no circumstances should bare skin or clothing on the body be treated. Do not treat underwear, hats, caps or inner clothing. Make all applications outdoors.

For protection against ticks (including those which may carry Lyme disease), chiggers and mosquitoes, apply product as directed below. For further protection, use in conjunction with an insect repellent registered for direct application to skin and applied to uncovered exposed areas and utilize the following primary preventive measures. Avoid walking in areas where the pests are found, wear appropriate protective clothing (light-colored, long sleeved shirt and long pants tucked into socks) and inspect body daily for ticks. Pant cuffs should be worn inside the socks or footwear to ensure full protection against ticks and chiggers.

**INITIAL TREATMENT INSTRUCTIONS:**

Pour 1/2 ounce of concentrate into the treatment bag provided. Pour 18 ounces of water into bag. Seal bag and shake thoroughly. Place rolled up garments (shirt, trousers and/or bed net) into the bag and seal the closure. Shake bag to provide uniform coverage. Let stand 2 hours or more. Wearing water-proof gloves, open bag and remove garments. Hang outdoors until dry (approximately 2-3 hours). When dry, garment is ready to wear. Follow standard laundering procedures. Clothing should be retreated after six weeks or after the 6<sup>th</sup> laundering to maintain adequate protection.

**RETREATMENT INSTRUCTIONS:**

This product contains an active ingredient which actually binds to the fabric being treated, providing residual protection which lasts for six weeks, and holds up through several machine washings. **DO NOT RETREAT CLOTHING (OR ARTICLES) MORE THAN ONCE EVERY TWO WEEKS. LAUNDRER CLOTHING AT LEAST ONCE BEFORE RETREATING.** For re-treatment, follow instructions for initial treatment. Do not dry clean.

**STORAGE & DISPOSAL**

**Pesticide Storage:** Store in a cool dry area away from children and pets.

**Pesticide Disposal and Container Handling:** If empty: Non-refillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**NOTE:** To the extent consistent with applicable law, buyer assumes all responsibilities for safety and use, not in strict accordance with directions.
