

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7505C)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg.
Number:

81433-5

Date of Issuance:

FEB 25 2005

NOTICE OF PESTICIDE:

X Registration
 Reregistration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

IMS Moth Crystals

Name and Address of Registrant (include ZIP Code):

IMS Trading, LLC
4225 Longridge Ave #207
Studio City, CA 91604

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product when the Agency requires all registrants of similar products to submit such data.
2. Make the following label changes before you release the product for shipment:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 81433-5".
 - b. Include the following statement:
"Physical-Chemical Hazard. Combustible. Do not use or store near heat or open flame."
 - d. It is recommended that the following "First Aid" label changes be made as described in PR Notice 2001-1.

Signature of Approving Official:

Daniel C. Kenny, Product Manager (01)
Insecticide-Rodenticide Branch, Registration Division (7505C)

Date:

FEB 25 2005

Revise the "First Aid" statements to read:

If Swallowed:

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If On Skin Or Clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

If Inhaled:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control or doctor for further treatment advice.

If In Eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Beneath the "First Aid" statements, include the following information:

"Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-xxx-xxxx (insert number) for emergency medical treatment information."

- e. Add the following statement so that it appears at the end of the First Aid Statements:

"Note To Physician

Probable mucosal damage may contraindicate the use of gastric lavage."

3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Daniel C. Kenny

MOTH CRYSTALS

MS

DIRECTION FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

IMS Moth Crystals are harmless to the even the most delicate fabric. Use at the rate of 1 lb. for each 100 cubic ft. of contained space. Articles to be stored should be cleaned or thoroughly brushed. For CLOTHING, BLANKETS, DRAPERIES, FURS, ETC., sprinkle IMS Moth Crystals freely on bottom of storage space, between folds and layers of articles and an extra amount on top before closing container. Excellent for use in garment bags.

Be sure storage space is tightly sealed. RUGS AND CARPETS are effectively protected from moths and carpet beetles when IMS Moth Crystals are freely sprinkled between folds, rolled & wrapped in heavy paper. Seal tightly to confine vapors.

Paradichlorobenzene should not be mixed or placed in contact with other moth preventive chemicals. Do not use in plastic storage box.
