

U.S. ENVIRONMENTAL PROTECTION
AGENCY

Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Avenue, N.W.
Washington, D.C. 20460

EPA Reg.
Number:
82123-2

Date of
Issuance:
SEP 18 2012

Term of Issuance:
Conditional

Name of Pesticide Product:
Active Guard™ Fabric

NOTICE OF PESTICIDE:

Registration
 Reregistration

(Under FIFRA as amended)

Name and Address of Registrant (include ZIP Code):

Allergy Technologies, LLC
125 South Maple Street
Ambler, PA 19002

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A), provided that you:

1. You will submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. You will make the following label changes before you release the product for shipment:

a. Revise the EPA Registration Number to read "EPA Registration Number 82123-2".

Signature of Approving Official:

Refer to page #3.

Richard Gebken, Product Manager (10)

ActiveGuard™ Fabric

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

This product [bedding, e g mattress, box spring, sofa bed and furniture, e g chairs, couches, love seats, mirrors, headboards, pictures] contains ActiveGuard™ Fabric for residual bed bug control

The ActiveGuard™ Fabric is treated with permethrin at a rate of 0 0001125 lb of active ingredient per square foot (0 55 grams of active ingredient per square meter) of fabric This ActiveGuard™ Fabric is then incorporated into this article

Note Washing the ActiveGuard™ Fabric removes the active ingredient and reduces the effectiveness of the product against bed bugs

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal

STORAGE When not in use, store product in a cool, dry place away from direct sunlight

DISPOSAL Discard the outer packaging and this used product in the trash
