

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Antimicrobials Division (7510C)
1200 Pennsylvania Avenue NW
Washington, D.C. 20460

NOTICE OF PESTICIDE:

[x] Registration
Reregistration

(under FIFRA, as amended)

EPA Reg. Number:

82260-1

Date of Issuance:

SEP 28 2012

Term of Issuance:

Conditional

Name of Pesticide Product:

Aquastick

Name and Address of Registrant (include ZIP Code):

Guardian Technologies LLC
7700 St. Clair Avenue,
Mentor, OH 44060 USA

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec 3(c)(7)(A) provided that you:

- 1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
a. Revise the "EPA Registration Number to read, "EPA Reg. No. 82260-1".

Signature of Approving Official:

Marshall Swindell
Product Manager Team-33
Regulatory Management Branch I
Antimicrobials Division (7510P)

EPA Registration No. 82260-1

Submit two (2) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the "accepted" label is enclosed for your records. Also, a copy of the science reviews is enclosed for your information.

If you have any questions concerning this Notice of Registration, please contact Martha Terry at (703) 308-6217.

Sincerely,

Marshall Swindell
Product Manager 33

**ALL Brands
ALL Types**

**Suitable for
ALL humidifiers**

- Six months of continuous use†
- Works in all ultrasonic and evaporative humidifiers

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

- Remove outer package before placing the aquastick into the humidifier. Do not open or attempt to empty the aquastick. Retain this label for reference.
- For best results, clean the humidifier tank according to manufacturer's instructions to remove any build-up that may have accumulated prior to adding the aquastick.
- After humidifier has been cleaned, drop one aquastick into the humidifier water reservoir and fill the tank with fresh water.
- Operate humidifier according to the manufacturer's directions.
- Replace the aquastick every 3 months.†

STORAGE AND DISPOSAL:

- Do not contaminate water, food or feed by storage or disposal.
- Do not reuse or refill this container.
- **PESTICIDE STORAGE:** Do not store in areas accessible to children. Keep product dry during storage.
- **PESTICIDE DISPOSAL:** Do not reuse empty aquastick.
- **CONTAINER DISPOSAL:** Offer container for recycling if available.
