Attention: Mr. Jim Tompkins (PM 25)

RE: Agri Packaging & Logistics
Grandslam 4XS Herbicide; EPA Reg. No. 82498-2
Resubmission of Label as Amendment per the State of New York

Dear Mr. Tompkins:

At the request of the state of New York we are resubmitting this approved label as an amendment. On September 7, 2007 we submitted this label to the Agency as a "notification" to update this label, which is a re-pack of the Monsanto product "Roundup Original II Herbicide", EPA Reg. No. 524-454. The reason for the original notification was to make the AP&L "Grandslam 4XS" label identical to the Monsanto label. This notification was approved on January 2, 2008 (copy of approval and stamped page attached).

When this label was submitted to the state of New York they denied it because they will not allow a change to the precautionary statements as a "notification". All changes made to this label are consistent with the Monsanto label. **We now have 30 days to get this label approved as an amendment and resubmit to New York.** The labeling submitted is the same as what was approved January 2, 2008.

The following is enclosed to process this label amendment:

1. Application for Pesticide Amendment, EPA Form 8570-1
2. One (1) copy of the original label notification approval letter dated January 2, 2008, and stamped page 2.
3. Two (2) copies of labeling.

We would appreciate any expedited action you could assist us with. We have had no other problems with the other states that we have sent the new label to.

Should you have any questions, or wish to reach me, please feel free to contact our office at 203-740-1200.

Sincerely,

Jane Miller
Agent to Agri Packaging & Logistics, Inc.
