	Term of Issuance: conditional	
NOTICE OF PESTICIDE: <input checked="" type="checkbox"/> Registration <input type="checkbox"/> Reregistration (under FIFRA, as amended)		Name of Pesticide Product: Ultimate Bug Candle
Name and Address of Registrant (include ZIP Code): Kerslig Candle Light c/o Heather Bjornson, Regulatory Consultant Technology Sciences Group, Inc. 1150 18 th Street NW Suite 1000 Washington, DC 20036		
Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.		
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) and (B) provided that you:</p> <ol style="list-style-type: none"> 1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4. 2. Make the following label changes: <ol style="list-style-type: none"> a. Change the EPA Reg. No. to 82539-2. b. The product name "Ultimate" is an enhanced efficacy claim and must be deleted or qualified as a brand name. c. The claim that follows the product name must be revised to delete the footnote and all text must be the same size type, as follows: An Insecticide Containing Candle for Repelling Flying Insects except flies, mosquitoes and other biting insects. d. Revise the third and fourth sentences of the Precautionary statements to read as follows: Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse. 		
Signature of Approving Official:  Richard Gebken Product Manager 10 Insecticide Branch Registration Division (7505P)	Date: DEC - 5 2006	

- e. Include an emergency number in the First Aid statements.
- f. Add to the Directions for Use a subsection entitled "Use Restrictions". Move the statement "Avoid contamination of food and feedstuffs." to this subsection.
- g. Revise the Environmental Hazards statements as follows:
This product is highly toxic to fish. Do not apply directly to water. Drift from treated areas may be hazardous to organisms in adjacent aquatic sites. Do not contaminate water when disposing of equipment washwaters.
- h. Add or move to the subsection entitled "Use Restrictions" the following:
Do not use in windy conditions.
Avoid prolonged inhalation.
Do not use indoors or in confined spaces.
Do not leave burning candle unattended.
- i. Delete from the directions for use the following, which detracts from the mandatory nature of the directions for use:
"For best results".
- j. Revise the statement regarding outdoor use to read as follows, in bold text:
For Outdoor use only.
- k. In accordance with the Label Review Manual delete the claim that the product does not contain citronella. This is a comparative claim and is presented in a misleading way to imply this product is less risky, better, or more desirable than another product.
- l. The claim "repels (small flying insects)" must be revised as follows:
Repels small flying insects except flies, mosquitoes and other biting insects.

Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

The revised label dated May 8, 2006 is acceptable. A copy was placed in the electronic file for this registration.

A stamped copy of the label is enclosed for your records.

[All text in brackets [xxx] is administrative and will not appear on a final label.]

[All text in parentheses (xxx) is optional language]

Precautionary Statements

Hazards To Humans & Domestic Animals

CAUTION: Harmful if swallowed or absorbed through the skin. Avoid contact with eyes, skin and clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing before reuse. Avoid contamination of food and feedstuffs.

Environmental Hazards

This product is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters, unless in accordance with the requirements of a National Pollutant Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For outdoor use. For best results, light candles one-half hour before protection is needed and burn for a minimum of 2 hours (small candle) / 4 hours (large candle) at a time. Place candles around the perimeter of the area to be protected. Use one candle in an area of approximately 120 square feet. Place candles on a heat resistant surface, away from anything flammable and out of reach of children or pets. Keep wick trimmed to 1/2 inch or less at all times. The candle and its contents will become hot so handle carefully. Smother flame to extinguish. Never leave a burning candle unattended.

Storage and Disposal

Storage: Store in original container in a cool, dry place away from direct sunlight.

Container Disposal: Do not reuse this container. Place in trash or offer for recycling if available.

Product Disposal: Call your local solid waste agency [or 1-800-CLEANUP] for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.

 **Optional Label Claims:**

-  - Ultimate Bug Candle is a clean burning candle, specially formulated to release an insecticide continuously when lit. It contains no citronella oil, and is therefore free from odors normally associated with insect repellent candles.
-  - Repels (small flying insects)
-  - Works day and night
-  - Patent Pending
-  - (The Ultimate Bug Candle) provides up to 30 hours of burn time [small candle]
-  - (The Ultimate Bug Candle) provides up to 50 hours of burn time [large candle]
