Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This Registration Notice replaces the original Registration Notice dated January 25, 2006.

This product is conditionally registered in accordance with FIFRA section 3(c)(5) provided that:

1. You submit the outstanding data requirements 830.6317 Storage Stability and 830.6320 Corrosion Characteristics by January 25, 2007.

Signature of Approving Official:

Dan Kenny, Branch Chief
Herbicide Branch, Registration Division (7505P)

Date:

OCT 4 2006

2. This registration will expire, without hearing rights, on September 1, 2008, unless the registrant submits an amendment to remove the time limitation no earlier than six months before the expiration date.
3. Upon receipt of the amendment, the Agency will review all available information and will re-evaluate whether the registrant's product still differs only in ways that would not significantly increase the risk of unreasonable adverse effects on the environment.
4. The Agency will issue its decision on the amendment request taking into account the determination described in paragraph 3 no later than the expiration date of the registration.
5. If the Agency fails to make the determination described in paragraph 3 by the expiration date, the registration will remain in effect until the Agency makes such a determination as described in paragraph 6.
6. If the Agency determines that the registration no longer meets the standard for registration as described in paragraph 3, the Agency will notify the registrant of this decision to deny the amendment. The Agency will initiate a Notice of Intent to Cancel the registration pursuant to section 6(e) of FIFRA.
7. If the Agency determines that the registration continues to meet the standard for registration, the amendment request will be granted and the time limitation will be removed or conditioned upon other terms that are necessary in light of the new information.

The basic formulation CSF [dated September 5, 2006] of the product referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act is acceptable. The basic CSF will be added to your file.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). If you have any questions, please contact Hope Johnson at 703-305-5410.
