HOMS, L.L.C.
P.O. Box 1887
Pittsboro, NC 27312

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA Sec. 3(c)(5) provided you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA section 3(c)(5) and section 4 when the Agency requires all registrants of similar products to submit such data.
2. Make the following label change before you release the product for shipment: Revise the EPA Registration Number to read, "EPA Reg. No. 82669-3."
3. Submit three (3) copies of the revised final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

and Rodenticide Act, as amended, for
the pesticide registered under
EPA Reg. No. 82669-3

PRECAUTIONARY STATEMENTS

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

Read all directions before using this product

This product can be applied to skin, clothing and gear including tents, sleeping bags and backpacks to repel mosquitoes, ticks and other insects.

Application to skin: Shake well before using. For best results spray on skin every 4.5 hours. For added protection, apply to clothing. Do not apply to lips and keep out of eyes. Do not apply to the hands of small children. For continuous protection against target pests apply every 4.5 hours or after swimming, toweling or vigorous activity.

Application to clothing and gear: Shake well before using. Spray on clothing and gear until the surface is visibly moist

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in original container in a cool, dry place away from heat and open flame and inaccessible to children.

Pesticide and Container Disposal: Unrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

Questions or comments. Call 1-888-270-5721 (between 9 am and 5 pm eastern time) or contact HOMS at CustomerService@homs.com
