 <p>U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7505C) 401 "M" St., S.W. Washington, D.C. 20460</p> <p>NOTICE OF PESTICIDE: <u> x </u> Registration <u> </u> Reregistration</p> <p>(under FIFRA, as amended)</p>	EPA Reg. Number: 82727-1	Date of Issuance: JAN 18 2006
	Term of Issuance: UnConditional	
	Name of Pesticide Product: EXTERMIN ANTS	
Name and Address of Registrant (include ZIP Code): OPERATION ANTEATER 1998 PELICAN MANOR COCONUT CREEK FL. 33073		
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p>		
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.</p> <p>Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5). Once a pesticide is registered, however, it not regarded as permanently acceptable. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency will require submission of such data under FIFRA section (3)(c)(2)(B).</p> <p>1. Make the following label changes:</p> <p style="padding-left: 40px;">Revise the EPA Registration Number to read, "EPA Reg. No. 82727-1.</p> <p>2. o Remove any reference to attracts on the label. o Remove the statement: Destroys the Entire Ant Colony o Remove colony destroy claims. o Revise For Control to read Kill. o Revise Food Porcessing Plants to read Non food areas of food processing plants.</p>		
Signature of Approving Official: Richard Gebken, Product Manager 10 		Date: JAN 18 2006

- o Capitalized the (a) in animals in the Hazard to Humans and Domestic Animals.
- o In the Environmental Hazards section revise to read:
Do not apply directly to water. Do not contaminate water when disposing equipment washwaters or rinsate.

The phrase It is a violation of Federal law to use this product in a manner inconsistence with its labeling should be separate from the paragraph in the Direction to Use Section.

- o Your company label must have a complete address.
- o Add this statement before or after the First Aid section:
Have the container or label when calling a Poison Control or doctor or going for treatment
- o The Net Contents must be expressed in terms of liquid measure at 68F(20C): gallons, quarts, pints, or fluid ounces.

Submit three(3) copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label Accepted with Comments is enclosed for your records.

Carpenter Ants	Ghost Ants	Pharaoh Ants
Crazy Ants	White Footed Ants	Pyramid Ants

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Inject the bait into cracks and crevices or place on dry surfaces at any angle, out of traffic ways, where ants are seen and in areas, out of reach of children and pets. Children or pets should not be in the treatment area until after application is completed. Do not contaminate feed or foodstuffs.

Remove the Applicator "cap" and by pushing the plunger, eject the bait to the spot, or surface where ants are seen, such as under food cabinets, sinks, refrigerators, food storage areas, window sills, attics, garages, basements, bathrooms, or storage areas. Replace the applicator "cap" after use.

IMPORTANT

Make sure to replace any bait that has been consumed for all ants, as listed, are attracted to and will consume, and carry the bait to the nest until they die, and the entire colony has been destroyed! ExterminAnts will not attract ants into the home but it will kill them if they have entered. 5% Boric Acid kills ants fast!

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store product in original container in a cool, dry, locked place out of reach of children and pets. Do not allow product to freeze. **DISPOSAL:** Do not reuse empty container. IF EMPTY; Place in trash. IF PARTLY FILLED, Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down an indoor or outdoor drain.

NOTICE: Buyer and user assume all risk and liability of use, storage and/or handling of this material not in accordance with the terms of this label.07-29-05
