Label Revision Notification

July 27, 2010

Mr. Richard Gebken, Product Manager 10
Document Processing Desk - **NOTIF**
Office of Pesticide Programs – **7504P**
U.S. Environmental Protection Agency
One Potomac Yard (South Building), Room S-4900
2777 South Crystal Drive
Arlington, VA 22202

Dear Mr. Gebken:

Subject: Saba Chemical Company
King Pine® Brand Disinfectant
EPA Reg. No. 82771-1

On behalf of **Saba Chemical Company**, RegWest Company, LLC is submitting the attached documents per PR Notices 98-10 and 2007-4. RegWest Company will act as sole agent in this endeavor.

In addition to the 2007-4 PR Notice changes, we are deleting the "Graphics for "Washer", "Garbage Can", "Kitchen", "Floors" and "Bathroom"" and replacing the text with a graphic. Please refer to the *Reference Label* for an illustration of all revisions.

Please contact me at 970.353.0611 or kim@regwest.com if you have any questions or comments concerning this submission.

Regards,
RegWest Company, LLC

Kim Davis,
Consultant/Agent

KITCHEN

FLOORS

BATHROOM

Original	Concentrated [Concentrate]
Heavy Duty Cleaner	Disinfectant Deodorizer
Disinfects* Cleans	Deodorizes Cuts Grease
Long-Lasting Smell [Lasting Fresh Smell]	Contains No Phosphorus

Effective against specific gram-negative household bacteria, such as those causing Salmonellosis (food poisoning). This product is a [concentrated] heavy duty cleaner, disinfectant and deodorizer; leaves a long-lasting [lasting fresh] smell.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Disinfect, Clean and Deodorize Hard, Non-Porous Surfaces in One Operation: Use a mop, sponge or brush to apply a solution of 1/4 cup [2 oz.] disinfectant to one gallon of water for moderately soiled surfaces such as floors, tubs, toilet seats and exterior surfaces, sinks, locker rooms, walls, pet quarters and garbage cans, maintaining a thoroughly wet surface for 10 minutes. Mix fresh solution before each use; no rinsing necessary except on rubber or asphalt tile and on food contact surfaces. Heavily soiled surfaces must be pre-cleaned first, followed by a second application using directions above to disinfect. Use full strength for cutting grease, crayon, old wax or other heavy-duty cleaning jobs; rinse immediately.

Laundry: Use full strength on heavily soiled areas such as collars, cuffs and grease stains. Rub in well and use 1/2 cup [4 oz.] in washer along with regular detergent as a cleaning booster and deodorizer.

Pre-Soaking: To kill odor-causing bacteria, use 1/2 cup [4 oz.] per gallon of water for diapers, baby clothes and bedding.

(For Residential/Household product packaged in containers five gallons or less:)

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Keep container closed when not in use. Store in a cool, dry (preferably locked) place inaccessible to children and pets, and away from heat or open flame. **Container Disposal:** Non-refillable container; do not reuse or refill this container. Offer for recycling, if available; otherwise, discard in trash.

(For Industrial/Commercial product packaged in containers greater than five gallons:)

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Keep container closed when not in use. Do not store near heat or open flame. **Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance. **Container Disposal:** Non-refillable container; do not reuse or refill this container. Triple rinse (or equivalent) container promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times, then offer for recycling, if available or reconditioning, if appropriate; otherwise, discard in trash.

(Per PR Notice 2007-4 the batch code/lot number will appear on the label or container.)

PRECAUTIONARY STATEMENTS Hazards to Humans & Domestic Animals

DANGER

Corrosive. Causes irreversible eye damage. Causes skin irritation. Harmful if swallowed. Wear goggles or face shield and rubber gloves when handling this product. Do not get in eyes, on skin or on clothing. Thoroughly wash with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

First Aid

If in Eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes; then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
--------------------	---

If on Skin or Clothing:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Immediately rinse skin with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If Swallowed:	<ul style="list-style-type: none"> • Immediately call a poison control center or doctor for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.
If Inhaled:	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	
Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.	

(Note: The First Aid grid format will be used if market label space permits; otherwise a paragraph format will be used.)

Physical or Chemical Hazards

Keep away from heat, sparks and open flame.
