UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Antimicrobials Division (7510C)
1200 Pennsylvania Avenue NW
Washington, D.C. 20460

AGENCY

EPA Reg. Number: 83135-1

Date of Issuance:

DEC 5 2007

Term of Issuance:

Conditional

Name of Pesticide Product:

SportsAide 1000 Antimicrobial

NOTICE OF PESTICIDE:

- [x] Registration
[] Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Coatings Specialist Group
2849 Product Drive
Rochester Hills, MI 48309

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment:

- a.) Revise the "EPA Registration Number to read, "EPA Reg. No. 83135-1".
b) On page 2, add the heading and subheading, "Precautionary Statements"

CONCURRENCES

Table with columns for SYMBOL, SURNAME, DATE, and multiple columns for CONCURRENCES. Includes EPA Form 8370-6 reference.

and "Hazards to Humans and Domestic Animals" must appear above the paragraph that states "Harmful if swallowed,.....using tobacco.

c) On page 3, delete "Fogging and Foaming" as application methods because they are no longer approved techniques for this active ingredient.

d) On page 3, revise the second statement by deleting the term, "should," and state "must" so that it is in compliance with PR Notice 2000-5, Mandatory Labeling Statements.

e) On page 3, revise the "Storage and Disposal" statements for containers one gallon or less by stating the following:

Storage and Disposal: Store in original, tightly closed container in an area inaccessible to children or persons unfamiliar with its use. Keep tightly closed until ready to use. Reclose tightly after each use. When stored in original, unopened containers at or below 25oC (77oF), SportsAide 1000 Antimicrobial has a minimum shelf life of 12 months from date of shipment. Do not reuse empty container except w/ refill bottle, otherwise discard in trash. Do not reuse empty refill bottle. Discard in trash.

A stamped copy of the label is enclosed for your records. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Should you have any questions regarding this letter, please contact Jacqueline McFarlane at (703) 308-6416.

Sincerely,

Velma Noble

PRECAUTIONARY STATEMENTS

Harmful if swallowed, absorbed through the skin, or inhaled. Causes moderate eye irritation. Avoid contact with eyes, skin, and clothing. Wear goggles or face shield, and rubber gloves. Remove contaminated clothing and wash before reuse. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

ENVIRONMENTAL HAZARDS:

This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

De-activation may be required during clean up if a spill occurs. De-activation of SPORTSAIDE™ 1000 Antimicrobial can be achieved by the addition of an anionic surfactant or detergent in quantity equivalent to that of the active ingredient.

PRODUCT FEATURES AND BENEFITS:

- SPORTSAIDE™ 1000 Antimicrobial imparts durable biostatic activity to the surface of a wide variety of substrates.
- SPORTSAIDE™ 1000 Antimicrobial is effective against mold, mildew, and algae as a static agent.
- Increased efficiency- through proper application, durable bacteriostatic, fungistatic and algistatic surfaces can be attained with a minimum amount of SPORTSAIDE™ 1000 Antimicrobial.
- Provides freshness and combats deterioration and discoloration caused by bacteria, fungi and algae.

DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

FOR COMMERCIAL / INDUSTRIAL / INSTITUTIONAL / RESIDENTIAL USE

APPROVED USES: SPORTSAIDE™ 1000 Antimicrobial is effective against odor causing bacteria, bacteria which cause staining and discoloration, fungi (mold and mildew) and algae as a static agent. SPORTSAIDE™ 1000 Antimicrobial can be used as a final bacteriostatic finish on the following items to impart bacteriostatic/fungistatic (mold and mildew) activity:

- Carpet, Synthetic Turf, Recycled Rubber, Silica Sand, Draperies, Upholstery, Furniture, Natural and Synthetic Fabrics, Book Covers, and Pictures.
- Interior Non-Food Contact Hard Surfaces Including: Floors and Floor Coverings, Walls and Wall Coverings, Ceilings, Ceramic Tile, Concrete, Chrome, Stainless Steel, Fiberglass, Vinyl, Porcelain, Wood, Plastic Surfaces & Composites, Glass Fixtures, Granite, Marble, and Aluminum.

HOW TO USE:

MSDS INFORMATION: BEFORE HANDLING, READ PRODUCT AND MATERIAL SAFETY DATA SHEETS AND CONTAINER LABELS FOR SAFE USE. PHYSICAL AND HEALTH HAZARD INFORMATION. THE MATERIAL SAFETY DATA SHEET CAN BE OBTAINED BY WRITING TO COATINGS SPECIALIST GROUP OR BY CALLING (888) 510-2847.

Wear protective eyewear (goggles or face shield) and rubber gloves when using this product. Dry treated areas and articles such as clothing before use. Remove children and pets from treated area until completely dry. Clean surfaces prior to application.

SPORTSAIDE™ 1000 Antimicrobial is to be applied to organic and inorganic surfaces as supplied by brushing, dipping, padding, soaking, spraying or [redacted] until adequately wet, or [redacted] techniques. After applying treatment, the surface [redacted] be allowed to dry at temperatures from ambient to a maximum for 160°C (320°F) to effect complete condensation of silanol groups and to remove water, solvents and/or traces of methanol from hydrolysis. If necessary, reapply SPORTSAIDE™ 1000 Antimicrobial every three months or when odor, staining and discoloration due to bacteria, mold stains, and mildew stains return.

For Pump Safety Spray Application: Using pump sprayer, spray entire area 4-6 inches from the surface making sure the surface is completely covered. Apply and then let stand until dry or let stand 3 minutes and wipe dry with cloth or sponge. If spotting occurs, wipe with moist cloth or sponge. Test for staining and colorfastness of fabrics and carpets by treating and drying a small, concealed area prior to application. When treating coarser substrates, more SPORTSAIDE™ 1000 Antimicrobial may be required due to absorption.

For Spray Application: Apply and then let stand until dry or let stand 3 minutes and wipe dry with cloth or sponge. If spotting occurs, wipe with moist cloth or sponge. Test for staining and color-fastness of fabrics and carpets by treating and drying a small, concealed area prior to application. When treating coarser substrates, more SPORTSAIDE™ 1000 Antimicrobial may be required due to absorption. Dry carpet areas and surfaces before re-entry and dry articles before use.

For Dipping/Soaking Application: Use appropriate sized washbasin or tub for dipping/soaking the item you are treating. Use enough SPORTSAIDE™ 1000 Antimicrobial solution to completely submerge item. Completely submerge item in solution for 3 minutes. Remove item and dry. Test for staining and color-fastness of fabrics by treating and drying a small, concealed area prior to application. Do not reuse solution after dipping/soaking. The substrate can be dried at room temperatures or at temperatures to a maximum of 160°C (320°F).

For each application, determine optimum application and drying conditions, such as time and temperature before use. If desired, reapply SPORTSAIDE™ 1000 Antimicrobial if odor, staining and discoloration due to bacteria, mold or mildew occur.

(Note to reviewer: If the container size is less than one gallon, the following Storage and Disposal directions will be used.)

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

STORAGE: Store in original, tightly closed container in an area inaccessible to children or persons unfamiliar with its use. Keep tightly closed until ready to use. Reclose tightly after each use. When stored in original, unopened containers at or below 25°C (77°F), SPORTSAIDE™ 1000 Antimicrobial has a minimum shelf life of 12 months from date of shipment.

~~PESTICIDE DISPOSAL: Improper disposal of excess pesticide, spray mixture, or empty container may cause contamination of the environment. Do not dispose of this product in drains, sewers, or on the ground. For disposal information, contact your local environmental control agency or the nearest EPA Regional Office.~~

CONTAINER DISPOSAL: Do not reuse empty container except with refill bottle, otherwise discard in trash. Do not reuse empty refill bottle. Wrap empty refill bottle and discard in trash. This container will have product residues when emptied. All hazard precautions on label must be observed when handling emptied container.
