Dear Mr. Brumley:

This letter is in reference to your request dated August 8, 2017 to extend the conditional time-limited registration for:

SVP8 For Cats

EPA Reg. No. 83399-9

The referenced registration contains conditions calling for the registration to expire two years from 12/17/15. Additionally, your company is required to adhere to the spot-on label mitigation, submit quarterly enhanced incident reports and quarterly sales information as stated in the amendment letter dated 12/17/13 for the above registration.

The Agency has found Ceva in compliance with the terms and conditions for the subject product. The Agency is therefore granting the request to extend the 2-year time-limited registration restriction. As such, the following change is being made to the terms and conditions of the product listed above:

- **The 2-year time-limited registration restriction has been extended an additional two (2) years. The new expiration date for the subject product registrations is now December 17, 2019.**

Please note that this product continues to be subject to existing conditions of its registration and any deadlines connected with them. If you have any questions, please contact the product manager, Gene Benbow at Benbow.gene@epa.gov or (703) 347-8657.

Sincerely,
