 <p style="text-align: center;">U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7505C) 1200 Pennsylvania Ave., N.W. Washington, D.C. 20460</p> <p style="text-align: center;">NOTICE OF PESTICIDE: <u> X </u> Registration <u> </u> Reregistration (under FIFRA, as amended)</p>	<p>EPA Reg. Number: 83424-1</p>	<p>Date of Issuance: September 27, 2006</p>
	<p>Term of Issuance: Conditional</p>	
	<p>Name of Pesticide Product: Moth Avoid Brand Moth Balls</p>	
<p>Name and Address of Registrant (include ZIP Code):</p> <p>Oxford & Hill Home Products P.O. Box 403607 Miami Beach, FL 33140</p> <p>Attention: Mr. Thomas deArth</p>		
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p>		
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.</p> <p>Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p style="text-align: center;">This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you</p> <p>A) submit one (1) copy of final printed labeling to us, with the following changes, before you release the product for shipment.</p> <ol style="list-style-type: none"> 1. Delete your website address. 2. In your "First Aid" section, switch the order of "If Swallowed" and "If in Eyes." 3. Modify your use directions according to Attachment 1. 		
<p><i>DBP</i></p> <p>Daniel B. Peacock, Biologist Insecticide-Rodenticide Branch Registration Division (7505C)</p>		<p>Date: September 27, 2006</p>

2/10

4. For your **Sachet** product, which is packaged in 4 and 6 oz sizes, you will need to a) increase your 4 oz package size to a minimum of 5 oz or b) remove the "large trunk" example, which requires a 5 oz placement.
5. Replace "repels moths" to "kills moths", wherever it occurs.
6. Your **Ingredient Statement** is not readable and is not distinct from other text, which is unacceptable [40 CFR 156(a)]. Place the **Ingredient Statement** in a separate location on the **Front Panel**, preferably in a box, with a minimum type size of 6 pt and with text contrasting clearly against the background (e.g., green on white). To make the text more readable, increase the space between the letters.
7. The minimum type size requirement for the "**STORAGE AND DISPOSAL**" heading is the same as "**KEEP OUT OF REACH OF CHILDREN**". Therefore, for the "ball" product, you need to increase the type size from 6 to 10 Pt. See Attachment 3, "Minimum Type Size Requirements for Final Printed Labels" for additional details. Other labels will also have to be modified.

We note that you will also market this product under the following additional brand names:

1. Moth Avoid Brand Sachets
2. Moth Avoid Brand Moth Bars
3. Moth Avoid Brand Moth Chaser

B) within 15 months of registration, submit the following data in electronic and paper formats:

1. Storage Stability (830.6317)
2. Corrosion Characteristics (830.6320)
3. Density (for each form of product)

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed. If you have any questions, please contact Dan Peacock by phone (703-305-5407), fax (703-305-6596), or E-Mail (peacock.dan@epa.gov).

- Enclosures:
1. Use Directions for 83424-1
 2. Stamped Label
 3. Minimum Type Size Requirements for Final Printed Labels

If Swallowed	<ul style="list-style-type: none"> • Call poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center. • Do not give anything by mouth to an unconscious person.
If on Skin or Clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15 - 20 minutes. • Call a poison control center or doctor for treatment advice.
If Inhaled	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. • Call poison control center or doctor for treatment advice.

Have this product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-222-1222 for emergency medical treatment information.

NOTE TO PHYSICIAN - Probable mucosal damage may contraindicate the use of gastric lavage.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through the skin. Causes eye, skin and respiratory tract irritation. Avoid breathing dust or vapors. Wear safety glasses. Do not get in eyes, on skin, or on clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

WARNING: This product contains a chemical known to the State of California to cause cancer.

PHYSICAL OR CHEMICAL HAZARDS

Combustible. Do not use near heat, fire, or open flame.

STORAGE AND DISPOSAL

Do not contaminate food, feed or water by storage and disposal.
Storage: Store only in original container in a cool, dry, well-ventilated place inaccessible to children and pets.
Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling, if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

DIRECTIONS FOR USE

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
1. Thoroughly clean containers in which garments or materials are to be stored. Remove all dust and lint before storing.
 2. The number of sachets needed to protect your garments or materials will depend on the size of the container, chest or drawer. See how to use label for guidance.
 3. Place Moth-Avoid™ Sachets underneath, between and on top of stored items such as clothing, linens, draperies, rugs and blankets. For extra protection use additional sachets on top of stored items. Close containers as tightly as possible.
 4. When containers are opened, renew protection by adding additional sachets. Tightly close containers.
- Note:** Do not combine Moth-Avoid™ Sachets with products made of naphthalene or camphor. Do not use with incompatible plastics such as Styrene.

Warning: Buyer assumes all risks of use, handling, and storage of this product not in strict accordance with its label directions.

[Moth Avoid Brand Moth Balls – Directions for Use, 10 oz size]

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO KILL CLOTHES MOTHS AND CARPET BEETLES

Use Restrictions: For control of clothes moths and carpet beetles and their eggs and larvae in clean, air-tight containers (e.g., chests and trunks) and garment bags. Do not use in containers, dry cleaning, and garbage bags that allow vapors to escape into occupied rooms. Do not use this paradichlorobenzene-containing product with any other moth control chemical. As this product can damage some plastics, use only in polyethylene or polypropylene containers.

Pre-Application Directions: Before storing, dry clean, wash or brush articles to be protected.

Application Directions: Apply product only in clean, air-tight containers and bags listed above at the following rates:

How much do I use:				
Container	Size (in)	Cu. Ft.	Balls (#)	Ounces
Small Chest	18 x 22 x 36	8.25	24	3.3
Garment Bag			35	4.7
Large Chest	18 x 24 x 60	15	44	6.0

Post-Application Directions: Keep product in air-tight space for a minimum of seven (7) days. Odor dissipates when treated articles are aired.

Retreatment: Since moths are active all year, replenish air-tight containers and bags 2 times a year. Reseal product (container/bag) with unused balls between uses.

9/10

[Moth Avoid Brand Sachets – Directions for Use, 4 and 6 oz sizes]
