1150 18<sup>th</sup> St, NW, Suite 1000  
Washington, DC 20036

5-819462 <sup>R30</sup>/<sub>1180</sub>

Attention: Ms. Heather R. Bjornson

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

A) submit one (1) copy of final printed labeling to us, with the following changes, before you release the product for shipment.

1. Delete "S" from "ACTIVE INGREDIENTS".
2. After "EPA Reg. No.:", add "83424-3".

Daniel B. Peacock, Biologist  
Insecticide-Rodenticide Branch  
Registration Division (7505C)

Date:

NOV 21 2007

3. Begin your "Warranty" section with "To the extent consistent with application law, ..."
4. Revise your "**HOW MUCH DO I USE**" table according to Enclosure 3.
5. The text must meet the minimum type size requirements, including the signal word, "Keep Out of Reach of Children", the "Storage and Disposal" heading, and all other text.. See Enclosure 1 for details. Increase the distance between characters to insure that the average person can clearly read the text for all sizes of your labeling.
6. Because of the lack of quantitative information on the effective rate of the desiccant in your product (wt/vol), you will need to modify your "Optional Label Claims" as follows:
  - a. Change "Moisture and Moth Removal" to "Aids in Moisture Removal".  
[Note: The product does not **remove** moths it **kills** them.
  - b. Add "Aids in absorbing" before "Moisture that causes ... Stains."
  - c. Revise last claim as follows: "Aids in Moisture Absorbing Moth ... Pending".

B) within one (1) year of registration, submit the manufacturing process for this product as it has changed since the Agency determined that the product includes both the active ingredient, PDB, and the discussant.

C) within 15 months of registration, submit the following data in electronic and paper formats:

1. Storage Stability (830.6317)
2. Corrosion Characteristics (830.6320)
3. Density

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed. If you have any questions, please contact Dan Peacock by phone (703-305-5407), fax (703-305-6596), or E-Mail ([peacock.dan@epa.gov](mailto:peacock.dan@epa.gov)).

- Enclosures:
1. Minimum Type Size Requirements for Final Pirnted Labels
  2. Stamped Label
  3. Revised "**HOW MUCH DO I USE:**" table.

Enclosure 3. Revised "HOW MUCH DO I USE:" table.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### TO KILL CLOTHS MOTHS AND CARPET BEETLES

**Use Restrictions:** For control of cloths moths and carpet beetles and their eggs and larvae in clean, air-tight containers (e.g. chests and trunks) and garment bags. Do not use in containers, dry cleaning bags, and garbage bags that allow vapors to escape into occupied rooms. Do not use this paradichlorobenzene-containing product with any other moth control product. As this product can damage some plastics, use only in polyethylene or polypropylene containers.

**Pre-Application Directions:** Before storing, dry clean, wash or brush articles to be protected.

**Application Directions:** Apply product only in clean, air-tight containers and bags listed above at the following rates:

HOW MUCH DO I USE:				
Container	Size (in.)	Cu. Ft.	Sachets (#)	Ounces
Small Chest	18x22x36	8.25	18	3.3
Garment Bag			26	4.7
Large Chest	18x24x60	15	33	6.0

**Post-Application Directions:** Keep air-tight for a minimum of seven (7) days. Odor dissipates when treated articles are aired.

**Retreatment:** Since moths are active all year, replenish air-tight containers and bags 2 times a year. Reseal product bag with unused balls between uses.

**WARRANTY:** Buyer assumes all risks of use, handling, and storage of this product not in strict accordance with its label directions.

**Optional Label Claims:**

- Moisture and Moth Removal
- Kills Moths
