Name of Pesticide Product:
Buzz Buster Mosquito Repellent Coils

Name and Address of Registrant (include ZIP Code):

MRI Multinational Resources, Inc.
9380 S.W. 72nd St. Suite B211
Miami, FL 33173

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) and (B) provided that:

1. You submit and/or cite all data required for registration of your product under FIFRA Sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA Sec. 4.

2. You submit within one year of the date on this registration notice the data listed below:
Guideline 830.6317 Storage Stability
Guideline 830.6320 Corrosion Characteristics

3. You make the following label changes:
Change the EPA Reg. No. to 83467-1.

The active ingredient in the ingredient statement must be displayed as "d-allethrin".

Add to the Directions for use the following:

"Do not use where food is exposed. Cover or remove all food and drinking water."

"Do not use in restaurants."

"Do not use indoors."

"Do not use in windy conditions."

OK

Revise the First Aid statements in accordance with PR Notice 2001-1 and as set forth on the cited product:

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-xxx-xxxx for emergency medical treatment information.

Handwritten checkmarks and arrows indicating approval of the First Aid statements.

The following direction is open-ended and may result in misuse. Delete from the directions for use the following:

"and similar areas"

The following statements detract from the precautionary statements and may lead to misuse. Delete from the directions for use the following:

"porches"

"semi-confined areas"

"semi-enclosed"

"where there is little or no breeze."

Handwritten marks consisting of small circles and lines, possibly indicating deletions or corrections.

Delete the following claim which detracts from the statement "Keep out of reach of children":

"Living and play areas"

Revise the directions for use to provide a measure of how much to separate the coil before lighting it. The cited product says one inch.

Revise the directions for use for shorter periods of use to provide information relating length of segment to length of time mosquitos will be repelled.

Delete the following marketing claim as it is not supported by the confidential statement of formula:

"Springtime Fresh Scent"

Delete the following marketing claim as it implies 100% effectiveness:
"No Buzz - No Bite"

Delete from the label the following claim, which is open-ended and may result in misuse:
"other small flying insects"

Delete the following as it is a heightened efficacy claim:
"Contains a powerful synthetic pyrethroid"

Add to the Environmental Hazards the following:
"Drift from treated areas may be hazardous to organisms in adjacent aquatic sites."

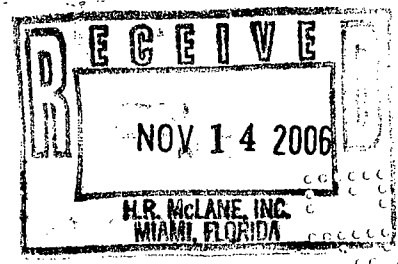

The graphic may not provide pictures of food or use around food.

Revise the last sentence of the disposal instructions as follows:
For used coil - put extinguished ashes in trash.

Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

FIRST AID

IN CASE OF ACCIDENT OR MISUSE

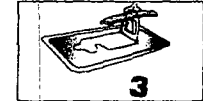

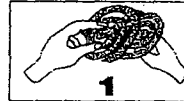

IF EYE CONTACT: Rinse eye with clean water. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. Have this product container or label with you when calling a poison control center or doctor, or going for treatment. You may also call: 1-800-858-7378 for emergency medical treatment information.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For use outdoors in semi-enclosed areas such as patios, porches, and similar areas where there is little, or no breeze. The Repellent coils' effectiveness and duration are affected by airflow.

1. Separate the coils by gently pulling them apart.
 2. Insert coil slit onto stand. Light the outer end of the coil and let it flame approximately 1/8 inch. Blowout the flame and allow coil to smolder until extinguished.
 3. For shorter periods of use, break coil into desired length and place on stand.
- Place stand on any noncombustible surface and keep lighted coils away from flammable materials, surfaces or objects. For best results space coils evenly at 8-10 feet apart around the semi-enclosed area to be protected. Cover any exposed food to avoid contamination. Save the metal stand(s) for future use. Coils will burn for up to 7 hours. Enjoy your picnic, patio, porch and backyard fun with the help of BUZZZ BUSTER MOSQUITO REPELLENT COILS, as they repel mosquitoes and other small flying insects

1. Separate Coils. 2. Place one coil on metal stand. Light outer area of coil until glowing. Blow out flame.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals.

CAUTION: Avoid prolonged inhalation. Harmful if ingested. Do not touch burning end of coil. Do not use indoors. Cover exposed foods to avoid contamination. Thoroughly wash hands with soap and water after use.

Environmental Hazards

This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment wash waters.

STORAGE AND DISPOSAL => (10 Pt. size type)

Storage: Store in a cool, dry (preferably locked) area inaccessible to children and pets, and away from sources of heat or ignition. **Disposal:** If empty: Do not reuse this packaging. Place in trash of offer for recycling if available. If partly filled: Call your local solid waste agency, or 1-800-CLEANUP, for disposal instructions. Never place unused product down any indoor or outdoor drain. For used coils - put ashes in trash. 07-17-06
