**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
WARNING**

May be fatal if inhaled. May be fatal if swallowed. Harmful if absorbed through skin. Do not breathe dust. Remove and wash contaminated clothing before use. Wash thoroughly with soap and warm water after handling and before eating, drinking, chewing gum or using tobacco. Avoid contact with skin, eyes or clothing. Wear long-sleeved shirt and long pants, socks, shoes, and gloves. For handling activities, use a non-powered air purifying respirator equipped with N-, R-, or P- series filter.

**ENVIRONMENTAL HAZARDS**

This product is highly toxic to aquatic invertebrates. Keep out of lakes, streams, or ponds. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharged Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**DIRECTIONS FOR USE**

**It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**

Imidacloprid Technical is intended for formulation into end use products for:

**Terrestrial Non-food Crop or Residential and Commercial Outdoor:** Lawns, turf grasses, ornamentals; above and below ground protection of wood, wood composites, plastics, cables, textiles, geotextiles, and termiticidal wall treatment, from insecticidal infestation.

**Terrestrial Food Crop:** Apple, Barley, Bushberry, Canola, Citrus, Cotton, Cranberry, Cucurbit Vegetables, Grape, Greenhouse Vegetables, Fruiting Vegetables, Head and Stem Brassica Vegetables, Leafy Vegetables, Leafy Petiole Vegetables, Legume Vegetables, Hop, Pecan, Pome Fruit, Potato, Root Vegetables, edible seed crops for Sorghum, Sugarbeets, Strawberry, Stone Fruit, Tropical Fruit, Tuberous and Corn Vegetables, and Wheat.

**Greenhouse Non-food Crop or Residential and Commercial Indoor:** Ornamentals

Detailed information on chemical and physical properties and other formulating recommendations for Imidacloprid Technical are available upon request from Sharda USA LLC. Obtain and read this information before undertaking the formulation of Imidacloprid Technical in order to avoid formulation hazards and insure a satisfactory finished product.

Labeling for products formulated from this product must conform to that which is currently registered with the U.S. Environmental Protection Agency. For specific information on federally registered uses, contact Sharda USA LLC. Any variance from the federally registered labeling for products containing Imidacloprid will have to be supported by data provided by the formulator.

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**Pesticide Storage:** Store in a cool dry place and in such a manner as to prevent cross contamination with other pesticides, fertilizers, food, and feed. Store in original container and out of the reach of children, preferably in a locked storage area.

Handle and open container in a manner as to prevent spillage. If the container is leaking or material is spilled for any reason or cause, carefully sweep material into a pile and dispose of as directed for pesticides below. Refer to Precautionary Statements on label for hazards associated with the handling of this material. In spill or leak incidents, keep unauthorized people away.

**Pesticide Disposal:** Pesticide wastes are toxic. Improper disposal of excess pesticide, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**Container Disposal:** Do not use container in connection with food, feed, or drinking water. Completely empty container into the processing equipment. Then dispose of empty container in a sanitary landfill or by incineration, or, if allowed, by State and local authorities, by burning. If burned, stay out of smoke.
