**Subject: Amended Labeling; Updates for PR Notice 2007-4  
Callington 1-Shot Aircraft Insecticide, EPA Reg. No. 83795-1  
Your Submission Dated August 26, 2010**

Dear Ms. Bjornson:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable with the following label revision provision(s):

Storage and Disposal section comment(s):

1. Revise the existing "**Storage:**" statement to read "**Pesticide Storage:** Store in a cool, dry area away from heat or open flame that is inaccessible to children and pets."
2. Insert the following new subsection, immediately preceding the revised "**Container Disposal:**" subsection as follows: "**Pesticide Disposal:** Wastes resulting from use of this product may be disposed of on site or at an approved waste disposal facility."
3. Revise the existing "**Container Disposal:**" subsection to read "**Container Disposal:** Do not puncture or incinerate! **If empty:** This container may be recycled in the few but growing number of communities where steel aerosol can recycling is available. At present, there are only a few such centers in the country. Before offering for recycling, empty the container by using the product according to the label directions (DO NOT PUNCTURE!). If recycling is not available, place in trash. **If partly filled:** Call your local solid waste agency for disposal instructions."

A copy of your label stamped "Accepted with Comments" is enclosed for your records. Please submit two (2) copies of the final printed labeling, incorporating the above changes, before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of FIFRA. Your release for shipment of the product bearing amended labeling constitutes accepting of these conditions.

If you have any questions about this label review, please contact Mr. Carmen Rodia at (703) 306-0327 or via e-mail at [Rodia.Carmen@epa.gov](mailto:Rodia.Carmen@epa.gov).

Sincerely yours,

Richard J. Gebken,  
Product Manager (10)  
Insecticide Branch,  
Registration Division (7504P)

Enclosure: Label stamped "Accepted with Comments"

<b>HOT LINE NUMBER</b>	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In case of <i>Medical</i> emergencies or health and safety inquiries or in case of fire, leaking or damaged containers, information may be obtained by calling 1-800-222-1222	

**PRECAUTIONARY STATEMENTS**

**Hazards To Humans & Domestic Animals – CAUTION**

Causes moderate eye irritation. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin, eyes, or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift.

Only protected handlers may be in area during application.

**Physical or Chemical Hazards**

**Contents under pressure.** Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**For use on aircraft:** For control of insect pests that may have entered cargo hold including flying and crawling insects (including mosquitoes, flies and cockroaches). Suitable for use in all types of aircraft. The aerosol can be sprayed into the cargo hold manually or automatically using aircraft mounted equipment. Ensure the spray pattern is not obstructed by any cargo. Use while the aircraft is empty of passengers and on the ground prior to take off and after landing. Before take off and after loading of all cargo is complete, close all doors, hatches and ventilation openings. Turn off ventilation system. Apply 0.35 ounces per 1,000 cubic feet. After system is complete open doors and hatches and turn on ventilation system and ventilate for 30

4 of 4

minutes with fresh air prior to boarding the aircraft with passengers. After landing remove all passengers, close all doors, hatches and ventilation openings and reapply insecticide as instructed above.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Storage:** Do not store near heat or open flame. Store in cool dry area, away from children.

**Container Disposal:** Nonrefillable container. Do not reuse or refill this container. Do Not Puncture or Incinerate!

**If empty:** This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label (DO NOT PUNCTURE!). If recycling option is not available, discard in the trash.

**If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

**WARRANTY:** Read the entire Directions for Use, Conditions, and Warranty before using this product. If terms are not acceptable, return the unopened product container at once. Buyer assumes all responsibility for safety and use not in accordance with directions.
