 1200 E. Washin

Term of Issuance: **UNCONDITIONAL**

Name of Pesticide Product:
 Deer Ban

NOTICE OF PESTICIDE:

Registration Re-registration
 (under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):
 Tarheel Research, Ltd.
 403 Burlington Ave
 Gibsonville, NC 27249

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA Sec. 3(c)(5) provided you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA section 3(c)(5) and section 4 when the Agency requires all registrants of similar products to submit such data.
2. Make the following label change before you release the product for shipment: Revise the EPA Registration Number to read, "EPA Reg. No. 83813-2."
3. Submit three (3) copies of the revised final printed labeling before you release the product for shipment.
4. A one year study is required to satisfy the storage and stability and corrosion characteristics requirements (Guidelines 830.6317 and 830.6320). You have 18 months from the date of registration to provide these data.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

FIRST AID

If swallowed, Call poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.

If on skin or clothing, Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15 – 20 minutes. • Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In the U.S., you may also contact 1-800-222-1222 for emergency medical treatment information.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

Caution. Harmful if absorbed through skin and swallowed. Avoid contact with mouth, skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS:

For terrestrial uses: To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Deer Ban Deer Repellent Granules to repel deer

General: Animals use urine to communicate in the wild. When they repeatedly smell a predator's odor, animals conclude it's a dangerous place and choose instead to move elsewhere. Deer Ban Deer Repellent Granules create the illusion that coyotes are present in your lawn or garden, so deer won't invade your lawn and garden.

Application Directions

Use Restrictions

This product is not for direct application to plants intended for human consumption (i.e. food plants). Apply only to the perimeter of where food plants are grown to create a repellent barrier. **Do not open capsules or disperse contents directly onto plants intended for food use.**

Disperse one capsule every 10 to 20 feet around your garden or flowerbed perimeter, ensuring there is a capsule on every outside corner. Do not open capsules or disperse contents directly onto ground.

One capsule application lasts 30-90 Days.
Deer-Ban Deer Repellent kits contains: 20 Deer Ban Deer Repellent Capsules.

Replacement

Replace capsules as needed.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Storage: Store in a cool, dry place.

Container Handling: If empty: Non refillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
