Reynoldsburg, OH 43068

Subject: Label Amendment – Adding marketing claims
Product Name: Weed² & Feed Mulch
EPA Registration Number: 83822-1
Application Date: March 16, 2015
Decision Number: 503033

Dear Ms. Johnston:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

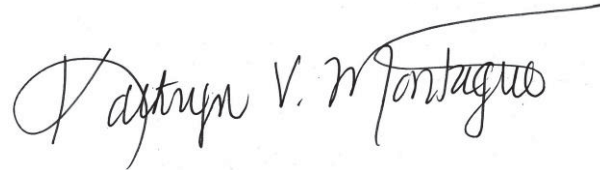

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

with FIFRA section 6. If you have any questions, please contact Deirdre Sunderland by phone at (703)603-0851, or via email at sunderland.deirdre@epa.gov.

Sincerely,

A handwritten signature in black ink that reads "Kathryn V. Montague". The signature is written in a cursive style with a long, sweeping horizontal line extending from the top of the "g" in "Montague" across the top of the signature.

Kathryn V. Montague, Product Manager 23

Enclosure

Weed² & Feed Mulch

{Alternate Brand Name: **Southern Rose Weed² & Feed Mulch**}

For Residential Outdoor Use Only

- [Ready-To-Use
- Premium Quality Mulch with Pre-Emergence Herbicide
- [This mulch] contains no recycled waste wood.
- Controls Broadleaf Weeds and Grasses in Flower & Ornamental Beds
- Provides Increased Weed Control vs. Ordinary Mulches
- Controls Listed Weeds & Grasses for up to 6 Months
- Protects Plants from Extreme Temperatures
- Helps Retain Soil Moisture
- Covers 6 [9, 12] square feet]

{See last page for additional optional marketing bullets}

Active Ingredients:

Isoxaben	0.0005%
Dithiopyr	0.0002%
Other Ingredients:	<u>99.9993%</u>
Total	100.0000%

Guaranteed Fertilizer Analysis:

{Insert N-P-K Ratio}

{[Insert FL fertilizer license No.]}

Total Nitrogen (N)	X.X%
x.x % nitrate nitrogen	
x.x% water soluble nitrogen*	
x.x% water insoluble nitrogen	
Available phosphate (P ₂ O ₅)	X.X%
Soluble Potash (K ₂ O)	X.X%

Derived from ammonium sulfate.

*Contains x.x% slowly available nitrogen from ammonium sulfate

KEEP OUT OF REACH OF CHILDREN CAUTION

See side [back] panel for additional precautionary statements.

READ ENTIRE LABEL BEFORE USING THIS PRODUCT.

FIRST AID	
If Swallowed	<ul style="list-style-type: none">• Call a poison control center or doctor immediately for treatment advice.• Have person sip a glass of water if able to swallow.• Do not induce vomiting unless told to do so by a poison control center or doctor.• Do not give anything by mouth to an unconscious person.
If on Skin or Clothing	<ul style="list-style-type: none">• Take off contaminated clothing.• Immediately rinse skin with plenty of water for 15-20 minutes.• Call a poison control center or doctor for treatment advice.
If in Eyes	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15 to 20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.• Call a poison control center or doctor for treatment advice.
If Inhaled	<ul style="list-style-type: none">• Move person to fresh air.• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.• Call a poison control center or doctor for further treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-222-1222 for emergency medical treatment information.	

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Environmental Hazards

The active ingredients in this product are highly toxic to fish and other aquatic organisms including oysters and shrimp. Use with care when applying to areas adjacent to any body of water. Run-off from treated area may adversely affect aquatic organisms in adjacent aquatic sites. Do not apply directly to water. Do not contaminate water when cleaning equipment or disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions:

- Wear gloves when handling.
- Do not apply near fish pools, ponds, streams or lakes.
- Do not apply around food producing fruit or nut trees, vegetables, herbs or other edible food plants. For use ONLY on ornamental species.
- Use only on established ornamental plants.
- Do not apply over flower seeds.
- Do not use around ornamental plants that have been weakened by stress (such as weather, disease, pesticide injury or insects/nematodes).

[Not for Sale or Distribution in New York State.]

Do not apply this mulch around the following plant species or injury may result:

Fuschia, Santa Claus	St. Johnswort
Garlic, sociaty	Star cluster
Gay feather	Statice
Gazania	Stock
Geranium	Stonecrop (<i>sedum</i>)
Gladiolus (corms more than 1" diameter)	Sweet alyssum
Grass (beech, crimson fountain, dwarf Umbrella, eulalia, fountain, mondo, pampas, ribbon)	Teatree, broom
Guara	Tulip
Hakonechloa, golden	Verbena, St. Paul
Heather	Wallflower
Honeysuckle, Japanese	Yarrow, common
	Yucca, red
	Zinnia, dwarf

Trees:

Ash, Shamel
Birch
Bottle tree
Carrot wood
Cherry, Yoshino flowering
Coolibah tree
Cottonwood
Cryptomeria, Japanese
Cypress
Dogwood
Elm, Chinese
Eucalyptus
Ficus
Ficus-mini
Fir
Florida anise tree
Ginkgo
Hawthorn, green
Hemlock, Eastern
Locust
Magnolia, Southern
Mesquite, Chilean

Mahogany
Maple
Mesquite, Chilean
Mulberry, white
Oak
Palm
Pine
Podocarpus
Redbud
Redcedar, Easter
Sequoia, giant
Sourwood
Spruce
Sweetgum, American
Strawberry, gilt edge
Sycamore
Tab, yellow
Toyon
Tree fern
Willow

Trees (non-bearing Fruit & Nut Trees):

Almond
Apple
Apricot
Avacodo
Banana
Blackberry
Blueberry
Boysenberry
Carob
Cherry (sour, sweet)
Currant
Dewberry

Elderberry
Fig
Filbert
Gooseberry
Grape (American, European)
Grapefruit
Kiwi
Lemon
Loganberry
Macadamia nut
Nectarine

Olive
Orange
Peach
Pear
Pecan
Pistachio
Plum
Pomegranate
Prune
Raspberry
Walnut

Shrubs:

Abelia	Heather	Rhaphiolepis
Acacia	Hibiscus	Rhododendron
Almond, dwarf pink flowering	Holly	Rose, Ramanas
Aptenia, red apple	Honeysuckle	Rose of Sharon
Aralia, Japanese	Hopseed bush	Silver berry, fruitland
Arborvitae	Ixora	Skimmia
Azalea	Jessamine, Carolina	Smoke Tree
Bamboo	Juniper	Spiraea
Barberry	Lantana	Spurge, Japanese
Bluebeard, dark knight	Laurel, Mountain	Sumac, African
Bottlebrush	Lavander	Summersweet
Bougainvillea	Leaf	Sweet pea shrub
Boxwood	Leucothoe	Sweetspire, Henry Garnet holly leaf
Brush cherry, dwarf	Lilac	Tea tree, New Zealand
Camellia	Lily-of the-Nile, Queen Anne	Ternstroemia, Japanese
Cassia, feathery	Lily-of-the-Valley	Viburnum
Century plant	Mahonia	Wayfaring tree
Cinquefoil (Potentilla)	Mallow, cape	Weigela
