Subject: Letter of Correction
Technical Propiconazole
EPA Registration No. 83851-6
Re-registration Notice and label dated 11/6/2013

Dear Ms. Pruett,

This letter serves to provide you with a corrected Reregistration approved label for EPA Reg. No. 83851-6. The previous label version contained an error with respect to the presentation order of the First Aid statements. The Agency acknowledges that the revised labeling is reflective of changes requested via Notification application (D# 490473), approved on 5/14/14. The enclosed label copy should be used in conjunction with the Re-registration Notice dated 11/6/2013. This letter should accompany those files as well.

If you have any questions, please contact Shaunta Hill at 703-347-8961 or hill.shaunta@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Shaja Joyner".
