2A	Reg
Numb	per:

Date of Issuance:

SEP 1 4 2012

83997-10

Term of Issuance:

Unconditional

Name of Pesticide Product:

Viance CA-C

NOTICE OF PESTICIDE:

x Registration Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Viance LLC

200 East Woodlawn Road, Suite350

Charlotte, NC 28217

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product (OPP Decision No. D-403011) is conditionally registered in accordance with FIFRA sec 3(c)(7)(A) provided that you:

- 1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA section 4.
  - 2. Make the labeling changes listed below before you release the product for shipment:
    - Revise the "EPA Registration Symbol to read, "EPA Reg. No. 83997-10".
    - Revise the 7<sup>th</sup>, 8<sup>th</sup>, and 9<sup>th</sup> statements under "User Safety Requirements" to be in agreement with PR Notice 2000-5, Mandatory Labeling by deleting "should" stating "must."

- c. Place the statement, "Do not contaminate ...disposal," to appear immediately after the "Storage and Disposal" heading.
- d. Revise the "Storage" instructions to read "Store in original container in a cool, dry well ventilated area."
- e. Revise the Pesticide Disposal statement to read "Wastes resulting from the use of this product must be disposed of on site or at an approved waste facility."
- 3. Submit a 1 year storage stability and corrosion characteristic study following OPPTS 830.6317 and 830.6320 guidelines one year from the date of this notice.
- 4. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records. Should you have any questions regarding this letter, please contact Glen McLeod by telephone at (703) 347-0181 or by email at mcleod.glen@epa.gov.

Sincerely,

Jacqueline Campbell
