Date of Issuance:
JAN 25 2010

Term of Issuance: **UNCONDITIONAL**

Name of Pesticide Product:
 Regalia Garden Disease Control RTU

NOTICE OF PESTICIDE:

Registration Re-registration
 (under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Marrone Bio Innovations, Inc.
 2121 Second St., Suite B-107
 Davis, CA 95618

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA Sec. 3(c)(5) provided you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA section 3(c)(5) and section 4 when the Agency requires all registrants of similar products to submit such data.
2. Make the following label change before you release the product for shipment: Revise the EPA Registration Number to read, "EPA Reg. No. 84059-8."
3. Submit three (3) copies of the revised final printed labeling before you release the product for shipment.
4. Submit within 1 year after the Date of Registration acceptable data packages for Guideline Studies: Storage Stability study (OPPTS GLN: 830.6317) and Corrosion Characteristics study (OPTS GLN: 830.6320) for this product.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

Signature of Approving Official:

W. Michael McDavid, Associate Director
 Biopesticides and Pollution Prevention Division

Other ingredients:	99.975 %
Total	100.000 %

EPA Reg. No. 84059-1

EPA Est. No. 085970-FL-001

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

First Aid Statement	
IF SWALLOWED:	Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF ON SKIN OR CLOTHING:	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
IF INHALED:	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.
IF IN EYES:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or if going for treatment.	

Net Contents; 24 ounces, 32 ounces, 1 gallon

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

Caution: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wear goggles or safety glasses. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

ENVIRONMENTAL HAZARDS

Do not apply directly to any body of water. Do not pour product or rinse water down any drain.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**DIRECTIONS FOR USE
SHAKE WELL PRIOR TO USE**

Regalia Garden Disease Control boosts plants' natural defense mechanisms that control common garden diseases. It is effective for the prevention and control for various fungal and bacterial diseases including, but not limited to, powdery mildew, downy mildew, Botrytis grey mold, rust, black spot of rose, leaf spots, anthracnose, leaf blights, smut, gummy stem blight, bacterial blight and bacterial spot. Regalia Disease Control also provides suppression of scab and fire blight on fruit trees.

Regalia Garden Disease Control may be used on all roses, flowers, foliage plants, turf and lawns, ornamental trees and shrubs, vegetables, berries and tree fruit.

USE TIPS

Apply Regalia Garden Disease Control by spraying all green leaves covering both the tops and bottoms as thoroughly as possible. Spray to the point of run-off.

Apply Regalia Garden Disease Control to turf by thoroughly wetting grass blades at a rate of 2.5 ounces per 10 square feet.

As a preventative, apply every 7 to 14 days until the potential for disease has passed. To control disease that is already present, apply on a 7 day schedule until disease symptoms are gone. Then continue spraying every 14 days to prevent disease recurrence.

NOTE: Regalia Garden Disease Control has been tested successfully on numerous plants. However, not all plant species have been evaluated. When treating tender or sensitive plants, it is recommended to spray a few plants as described in the directions, wait 24 hours, and check for possible injury.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in a cool dry place. Avoid freezing.

If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Marrone Bio Innovations WARRANTY

To the extent permitted by applicable law, the seller makes no warranty, expressed or implied, of merchantability, fitness or otherwise concerning use of this product. The user assumes all risks of use, storage or handling that are not in strict accordance with the accompanying directions.
