Office of Pesticide Programs  
Antimicrobials Division (7510C)  
1200 Pennsylvania Avenue NW  
Washington, D.C. 20460

EPA Reg. Number:  
84115-1

Date of Issuance:  
APR 1 2008

Term of Issuance:  
Conditional

Name of Pesticide Product:  
Wet n Forget

NOTICE OF PESTICIDE:

Registration  
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Wet & Forget  
P.O. Box 959  
North Shore Mailing Center  
New Zealand

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product (OPP Decision No. D-383224) is conditionally registered in accordance with FIFRA sec 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment:

a. Revise the "EPA Registration Symbol to read, "EPA Reg. No. 84115-1".

b. Revise the "Precautionary Statements" to include the following expanded "Wash thoroughly..." statement as per the Label Review Manual. Revise to include: "Wash thoroughly with soap and water after handling and before eating, drinking, *chewing gum*, using tobacco or *using the toilet*."

c. Delete the term, "recommended" from the first claim in the left column on page two such that the claim is in compliance with PR Notice 2000-5, Mandatory Labeling.

d. Revise the "Golf Greens and Tees" direction to be in compliance with the mitigation measures outlined in the ADBAC RED by adding the statement, "Treatment is not to exceed 10 acres (2000 gallons)."

e. Revise the "Residential Lawns/Turf" directions to be in compliance with the mitigation measures for this use outlined in the ADBAC RED by adding the statement, "Treatment is not to exceed 25 gallons per 1000 sq. feet."

f. Revise the first statement under "Storage and Disposal" to read "Store in original container in locked storage areas in accessible to children *and persons unfamiliar with its use*."

3. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Velma Noble  
Product Manager (31)  
Regulatory Management Branch  
Antimicrobials Division (7510P)

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**DANGER.** Corrosive. Causes irreversible eye damage and skin burns. Harmful if swallowed or absorbed through the skin. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (safety glasses or face shield), protective clothing, and rubber gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Avoid contamination of food. Avoid breathing spray mist.

**Personal Protective Equipment (PPE)**

Applicators and other handlers must wear protective eyewear, long pants and long-sleeved shirt, shoes plus socks and chemical-resistant gloves. Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

<p align="center"><b>User Safety Recommendations</b></p> <p>Users should:</p> <ul style="list-style-type: none"> <li>• Wash hands before drinking, eating, chewing gum, using tobacco or using the toilet.</li> <li>• Remove PPE clothing immediately if the pesticide gets inside. Then wash thoroughly and put on clean clothing.</li> <li>• Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.</li> </ul>

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**ACCEPTED  
with COMMENTS  
in EPA Letter Dated:**

**APR 1 - 2008**

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide, registered under EPA Reg. No. **84115-1**

**WET & FORGET**

Alkyl (C<sub>14</sub> 50%, C<sub>12</sub> 40%, C<sub>16</sub> 10%)  
dimethyl benzyl ammonium chloride .....9.9%  
Other Ingredients:.....90.1%  
Total: .....100.000%

**KEEP OUT OF REACH OF CHILDREN**

**DANGER**

See [right] [left] [side] [back] panel for Precautionary Statements [and First Aid]

**FIRST AID**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Remove contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. In case of transport or medical emergency, call CHEMTREC at 1-800-262-8200.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

EPA Est. No. (insert Est. No. here)  
NET CONTENTS (insert container size here)

WET & FORGET  
P. O. Box 959  
North Shore Mail Center  
New Zealand

Net Content: 5 Liters / 1.32 Gallons

[Recommended] for use on concrete, pool surroundings, patio furniture (except cushions and wood frames), natural stone, tombstones, roofs (asphalt and fiberglass shingles, color steel, clay and concrete tiles), tennis courts, astro turf (artificial turf), ceramic pots, asphalt driveways, painted surfaces, siding (vinyl, aluminum), textured finishes, play equipment (slides, plastic gyms), wood decks, golf tees and greens, and as a spot treatment in residential lawns.

**HOW IT WORKS:** Once WET & FORGET has killed the moss, mold, algae and/or mildew growth, it relies on the elements to remove the stains. If the surface to be treated is not fully exposed to rainfall or is vertical, some assistance may be required to remove the stains.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**TO [REMOVE] [KILL] MOSS, MOLD, ALGAE, AND MILDEW:** Mix 13 oz. WET & FORGET per 5 gallons of water. Apply use solution to areas infested with moss, mold, algae, or mildew with a [garden] sprayer until surface is thoroughly saturated. Let stand 10 minutes and allow to air dry. Do not employ equipment until treatment has been absorbed, dried, or set. For heavy infestations, [wash off] [remove] dead moss, mold, mildew, algae 12 to 24 hours later with another application of WET & FORGET.

WET& FORGET is best applied in overcast dry conditions to avoid rapid evaporation. Do not apply if heavy rain is expected within 4 – 5 hours.

**REACTION TIME:** Once treated with WET & FORGET growth may take up to 6 -12 months to come clean in the worst case scenario. It is very important that the mixing instructions are followed.

**MAINTENANCE:** Repeat application once a year or when new growth [appears] [returns]. Do not repeat treatment more than 6 times per year.

**WOOD DECKS:** Follow mixing directions. Stains in Cedar or Redwood may require brushing for full stain removal. Use water and hard broom 1 month after application. Once cleaned, it may be maintained with WET & FORGET to prevent [growth] [stains].

**GOLF GREENS & TEES:** Spray a solution of 1.3 oz. of WET & FORGET per 5 gallons of water until surface is thoroughly saturated. If necessary, repeat spray applications after 10 days. Do not repeat treatment more than 6 times per year.

**RESIDENTIAL LAWNS/TURF:** Use WET & FORGET as a spot treatment on areas affected by moss or algal growth/stains. Spray a solution of 5.1 oz. WET & FORGET per 5 gallons of water until surface is thoroughly saturated. If necessary, repeat spray applications after 10 days. Do not repeat treatment more than 6 times per year.

**TO REMOVE MOSS, MOLD, ALGAE, AND MILDEW STAINS:** Mix 1 part WET & FORGET to 5 parts water. Apply use solution with a [garden] sprayer until surface is thoroughly saturated. Allow to air dry. A second application 1-2 months after the first may also assist when treating persistent stains. Do not repeat treatment more than 6 times per year.

**PLAY EQUIPMENT:** Do not allow children on play equipment (i.e., slides, plastic gyms), if it has been treated with WET & FORGET, until the equipment has been washed down with fresh water, a day after application.

**PETS:** Keep animals off treated surfaces until product has dried. If contamination occurs, rinse animal's paws with fresh water to prevent animal licking WET & FORGET.

**FOR ALL APPLICATIONS:** Treatment must be performed at least 100 ft. from any pond, lake, stream, or river to prevent possible runoff into waterways.

*(Note to reviewer: If container size is one gallon or less, the following Storage and Disposal directions will be used:)*

**STORAGE AND DISPOSAL**

Store in original container in areas inaccessible to children. Do not reuse empty container. (Wrap and) Discard in trash or recycle.

*(Note to reviewer: If container size is greater than one gallon, the following Storage and Disposal directions will be used:)*

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE**

Store in original container in locked storage areas inaccessible to children. Open dumping is prohibited. Do not reuse empty container.

**PESTICIDE DISPOSAL**

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instruction, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL**

*[Plastic containers:]* Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incinerate, or if allowed by state and local authorities, burn. If burned, stay out of smoke.

*[Metal Container:]* Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or dispose of by other procedures approved by state and local authorities.

*Optional Pesticidal Claims:*

- Moss, Mold Mildew & Algae Remover
- Kills Moss, Mold, Mildew & Algae

*Optional Non-pesticidal Claims:*

- Removes Moss, Mold Mildew & Algae stains from concrete, pool surroundings, patio furniture (except cushions and wood frames), natural stone, tombstones, roofs (asphalt and fiberglass shingles, color steel, clay and concrete tiles), tennis courts, astro turf (artificial turf), ceramic pots, asphalt driveways, glass houses, painted surfaces, siding (vinyl, aluminum), textured finishes, and play equipment (slides, plastic gyms), canvas awnings, yacht dodgers, wood decks, golf tees and greens, and as a spot treatment in residential lawns..
- Treats 1,000 – 3,000 ft<sup>2</sup> depending on stain contamination.
- No pressure-washing or scrubbing required.
